## **Secret Witness:**

Secret Witness Madison C. Brightwell, 2014-11-06 Gabriel Thatcher has never forgotten the love of his life Helen who traveled around India with him on one memorable vacation and then abandoned him 25 years ago while pregnant with their child Maddie Cambay is a successful young actress currently starring in a musical at the Bristol Old Vic Theatre These two seemingly very different people are brought together by a strange set of circumstances that involve a horrific murder trial and a secret that Gabriel must have the strength to reveal so that true justice is done Ormond; or, the Secret Witness Charles Brockden Brown, 2009-09-15 As it tells the story of Constantia Dudley from her family's financial collapse to her encounters with a series of cosmopolitan revolutionaries and reactionaries Charles Brockden Brown's *Ormond* or *The Secret Witness* 1799 develops a sustained meditation on late Enlightenment debates concerning political liberty women's rights conventions of sex gender and their relation to the reshaping of an Atlantic world in the throes of transformation This edition of *Ormond* includes Brown's *Alcuin* 1798 an important dialogue on women's rights and marriage as well as his key essays on history and literature along with selections from contemporary writings on women's education and revolution debates that figure in the novel's background and in the charged atmosphere of the late 1790s **Ormond, Or, The Secret Witness** Charles Brockden Brown, 1839 *The Rotarian*, 1971-11 Established in 1911 *The Rotarian* is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine **Conspiracy and Romance** Robert S. Levine, Robert Steven Levine, 1989-09-29 Robert Levine examines the American romance in a new historical context His book offers a fresh reading of the genre establishing its importance to American culture between the founding of the Republic and the Civil War With convincing historical and literary detail Levine shows that anxieties about foreign elements French revolutionaries secret societies Catholic immigrants African slaves are central to the fictional worlds of Brockden Brown Cooper Hawthorne and Melville *Ormond* *The Bravo* *The Blithedale Romance* and *Benito Cereno* are persuasively explicated by Levine to demonstrate that the romance dramatized the same conflicts and ideals that gave rise to the American Republic Americans conceived America as a historical romance and their romances dramatize the historical conditions of the culture The fear that reputed conspiracies would subvert the order and integrity of the new nation were recurrent and widespread Levine illuminates the influence of such fears on the works of major romance writers during this period The Monster of Florence Douglas Preston, 2008-06-10 In the nonfiction tradition of John Berendt and Erik Larson the author of the 1 NYT bestseller *The Lost City of the Monkey God* presents a gripping account of crime and punishment in the lush hills surrounding Florence as he seeks to uncover one of the most infamous figures in Italian history In 2000 Douglas Preston fulfilled a dream to move his family to Italy Then he discovered that the olive grove in front of their 14th century farmhouse had been the scene of the most infamous double murders in

Italian history committed by a serial killer known as the Monster of Florence Preston intrigued meets Italian investigative journalist Mario Spezi to learn more This is the true story of their search for and identification of the man they believe committed the crimes and their chilling interview with him And then in a strange twist of fate Preston and Spezi themselves become targets of the police investigation Preston has his phone tapped is interrogated and told to leave the country Spezi fares worse he is thrown into Italy's grim Capanne prison accused of being the Monster of Florence himself Like one of Preston's thrillers The Monster of Florence tells a remarkable and harrowing story involving murder mutilation and suicide and at the center of it Preston and Spezi caught in a bizarre prosecutorial vendetta *A Full Account of the Atrocious Murder of ... W. Weare; containing the examinations before the magistrates ... the confessions of Hunt ... To which is prefix'd an introduction, containing anecdotes of the deceased, and of the prisoners ... Illustrated by engravings, etc* William WEARE,1823 *A Full Account of the Atrocious Murder of the Late Mr. W. Weare*,1823 **Up by the Bootstraps** Jorjan Jane,2013-11-19 The day Red was born the trumpets sounded the heavenly angels burst into song and a voice from on high was heard saying LOOK OUT BELOW Here comes Red and you better be ready for him From the hills of the Kiamishi Mountains in southeast Oklahoma a boy picked himself up by the bootstraps brushed off the Oklahoma dust and showed the world he was someone to reckon with The only thing he knew was hard work Deprived in more ways than one he learned early in life to keep his mouth shut But when he was on his own he quickly made up for it and never stopped after that He became a mouth piece for all the cops in the state of Nevada as well as nationwide His grammar was less than perfect yet no one misunderstood what he was bluntly saying He got his point across immediately and didn't mince words This is a remarkable story of a boy from the cotton fields to the oil fields from trucker to pilot from cop to labor leader from lobbyist to senator At one point he was either president or chairman of eleven different organizations at the same time But his accomplishments didn't change him As he always said I'm just a poor ol'country boy come to town trying to make good And he certainly did This story shows that honesty hard work tenacity and humor are still the best assets a person can possess It opened doors which would normally have been slammed in his face had he not had the foresight to stick his boot in the door ahead of time **Collected Writings of Charles Brockden Brown: Poems** Michael C. Cohen,Alexandra Socarides,2020-10-05 Charles Brockden Brown 1771-1810 was a key writer of the revolutionary era and early U.S. republic known for his landmark novels and other writings in a variety of genres The Collected Writings of Charles Brockden Brown presents all of Brown's non-novelistic writings letters political pamphlets fictions periodical writings historical writings and poetry in a seven-volume scholarly set This series volumes are edited to the highest scholarly standards and will bear the seal of the Modern Language Association Committee on Scholarly Editions MLA CSE Poems volume 7 of the series is the first comprehensive collection of the poetry of Charles Brockden Brown 1771-1810 one of the earliest professional writers in U.S. history While Brown is well known as a novelist his poetry has never before been collected and many of the works included in
