Fisher,2023-04-18 Based on an extraordinary true story and soon to be a major film produced by and starring Benedict Cumberbatch The War Magician is the remarkable tale of the man who used the powers of illusion to fight the Nazis and created the most remarkable feat of legerdemain since the Trojan Horse How an Illusionist Changed the Course of World War II When England went to war against Hitler in 1939 it mobilized its entire military and industrial resources But there was no place in that vast army for legendary stage magician Jasper Maskelyne whose family was renowned for creating modern theatrical illusions Maskelyne was determined to fight the Nazis using his only weapon he intended to apply the techniques of popular magic to the battlefield Initially ignored and ridiculed by the staid military leadership he eventually cajoled his way into the Camouflage Section and was sent to the western desert where he created a new type of warfare With

his small group of artists the Magic Gang Maskelyne designed and developed ingenious weapons then tricked the Desert Fox General Rommel and his fabled Afrika Korps into believing there were tanks and battleships where there were none concealed the Suez Canal and even successfully moved Alexandria harbor But it required all his skills to pull off perhaps the largest and most complex magic trick in history As General Bernard Montgomery told Maskelyne on the eve of the Battle of El Alamein The entire war will turn on what happens here What I am about to ask you to do is impossible It can't be done but it must be done I hope you've brought your magic wand with you This is the fact based story of the illusion that won the war in the desert

### Chapter 1 A Mysterious Beginning

Eli the young Nephilim was always curious about the world around him A Nephilim is a special being born from the union of a human and an angel which gave Eli some unique powers that he was just beginning to discover One sunny morning he decided to explore the forest near his home a vast green space filled with towering trees and the sounds of chirping birds As he wandered deeper into the forest the light dimmed and the air grew cooler It was here that Eli found something unusual a narrow winding path that seemed barely touched Moss and ivy draped over the stones and branches making it look mysterious and inviting Feeling a mix of excitement and nervousness Eli decided to follow the path to see where it led The further he walked the denser the fog became It swirled around him like a soft gray blanket making it hard to see more than a few feet ahead Eli could feel his heart beat faster with each step he knew he was heading towards something extraordinary After what felt like hours but was only a few minutes the path opened up into a wide valley that took his breath away The valley was like none he had ever seen it was covered in a thick layer of fog that glowed with a gentle light The trees were enormous reaching high into the sky their leaves whispering secrets in the breeze The ground was carpeted with lush green

moss and colorful wildflowers that seemed to light up the ground Eli was amazed by the beauty of the valley but he was even more astonished when he started to see creatures that he thought only existed in fairy tales There were tiny dragons fluttering their wings beside flowers their scales shimmering in the light Unicorns grazed peacefully near a sparkling stream their coats so white they almost glowed Eli even spotted a phoenix soaring high above its fiery feathers casting warm dancing lights on the valley floor As he explored more Eli realized that this was no ordinary place it was a magical valley hidden away from the world The creatures that lived here were friendly and seemed used to the magic that filled the air They weren't scared of Eli instead they looked at him with curiosity and kindness Eli felt a strong connection to this place as if he was meant to find it He also noticed that his own powers felt stronger here in the valley Back home he could sometimes hear the plants whispering and the wind singing but here his abilities were amplified He could understand the language of the water as it flowed over the rocks and he could feel the joy of the earth as the sun warmed its surface Eli spent the whole day in the valley talking to the creatures and learning about their lives They spoke of ancient times long before Eli was born when magic was abundant in the world and Nephilims roamed the earth freely They told him about the valley's history how it had been a safe haven for magical beings during times when magic was feared and hunted As the sun began to set painting the sky with shades of orange and pink Eli knew he had to return home But he promised his new friends and himself that he would come back He felt a duty to protect this magical place and keep it safe from those who might want to harm it Walking back through the foggy path Eli's mind buzzed with excitement and wonder He had so many stories to tell and so many plans to make He knew this was just the beginning of many adventures in the hidden valley and he couldn't wait to see what tomorrow would bring Eli's mysterious beginning in the enchanted valley was a pivotal moment in his life It opened his eyes to a world of magic and wonder setting the stage for grand adventures and challenges that would test his courage strengthen his friendships and reveal the full extent of his powers For a curious young Nephilim like Eli the hidden valley was not just a place of beauty and mystery but a call to adventure and a chance to make a difference in a world that needed his help
