Gambling With Virtue Nancy R. Rosenberger, 2000-10-01

Gambling with Virtue rings with the voices of women speaking openly about their struggle to be both modern and Japanese in the late twentieth century It brings to the fore the complexity of women's everyday lives as they navigate through home work and community Meanwhile women fashion selves that acknowledge and challenge the social order Nancy Rosenberger gives us their voices and experiences interspersed with introductions to public ideas of the last three decades that contribute significantly to the opportunities and risks women encounter in their journeys Rosenberger uses the stage as a metaphor to demonstrate how everyday life requires Japanese women to be skilled performers She shows how they function on stage in their accepted roles while effecting small but significant changes backstage Over the last thirty years Japanese women have expanded their influence and extended this cultural process of multiple arenas to find compromises between the old virtues of personhood and new ideals for self They conform maneuver and make choices within these multiple stages as they juggle various concerns and desires By the 1990s their personal choices have made a difference calling into question the very nature of these multiple arenas

The Journal of Psychohistory, 2005

Year of the Demon Steve Bein, 2013 A MASK OF DESTRUCTION Detective Sergeant Mariko Oshiro has been promoted to Japan's elite Narcotics unit and with this promotion comes a new partner a new case and new danger The underboss of a powerful yakuza crime syndicate has put a

price on her head and he'll lift the bounty only if she retrieves an ancient iron demon mask that was stolen from him in a daring raid. However, Mariko has no idea of the tumultuous past carried within the mask or of its deadly link with the famed Inazuma blade she wields. The secret of this mask originated hundreds of years before Mariko was born and over time the mask's power has evolved to bend its owner toward destruction, stopping at nothing to obtain Inazuma steel. Mariko's fallen sensei knew much of the mask's hypnotic power and of its mysterious link to a murderous cult. Now Mariko must use his notes to find the mask before the cult can bring Tokyo to its knees and before the underboss decides her time is up.

Proceedings National Association for Multicultural Education, 1999 *Smoke in the Sun* Renée Ahdieh, 2019-10-01 Now in paperback the heartstopping finale to the New York Times bestseller *Flame in the Mist* from the bestselling author of *The Wrath and the Dawn*. After Okami is captured in the Jukai forest, Mariko has no choice to rescue him; she must return to Inako and face the dangers that have been waiting for her in the Heian Castle. She tricks her brother Kenshin and betrothed Raiden into thinking she was being held by the Black Clan against her will, playing the part of the dutiful bride to be to infiltrate the emperor's ranks and uncover the truth behind the betrayal that almost left her dead. With the wedding plans already underway, Mariko pretends to be consumed with her upcoming nuptials all the while using her royal standing to peel back the layers of lies and deception surrounding the imperial court. But each secret she unfurls gives way to the next ensnaring Mariko and Okami in a political scheme that threatens their honor, their love, and the very safety of the empire. **The New York Times Book Review**, 1995-11 *Girls, Texts, Cultures* Clare Bradford, Mavis Reimer, 2015-05-29 This book focuses on girls and girlhoods: texts for and about girls and the cultural contexts that shape girls' experience. It brings together scholars from girls studies and children's literature fields that have traditionally conducted their research separately and the collaboration showcases the breadth and complexity of girl-related studies. Contributors from disciplines such as sociology, literature, education, and gender studies combine these disciplinary approaches in novel ways with insights from international studies, postcolonial studies, game studies, and other fields. Several of the authors engage in activist and policy development work around girls who experience poverty and marginalization. Each essay is concerned in one way or another with the politics of girlhood as they manifest in national and cultural contexts, in the everyday practices of girls, and in textual ideologies and agendas. In contemporary Western societies, girls and girlhood function to some degree as markers of cultural reproduction and change. The essays in this book proceed from the assumption that girls are active participants in the production of texts and cultural forms; they offer accounts of the diversity of girls' experience and complex significances of texts by for and about girls. **Public Library Catalog**, 1999 *Tokyo* Jeremy Seymour Eades, 1999 The Tokyo region of Japan is in terms of population the largest urban area on earth. Its centre comprises the 23 wards of Tokyo itself, but the urban sprawl has long since extended to include the other major cities of Kawasaki and Yokohama. From the early 16th century when the Tokugawa rulers of Japan established their administrative headquarters there, Edo as it was known

developed quickly into one of the largest cities in the world It was renamed Tokyo or Eastern Capital when the Emperor moved there in 1868 In the 20th century most of Tokyo was destroyed first by the Kanto earthquake of 1923 and then by the American bombing of 1945 Nonetheless it was rapidly rebuilt and is now along with London and New York one of the major control centres of the global economy Yet behind the ultramodern facade of the main commercial areas Tokyo remains largely a city of narrow streets and small intimate neighbourhoods However the threat of serious earthquakes remains and the relocation of the capital is being increasingly discussed This is the first annotated critical survey of the English language literature on Tokyo and its region **Public Library Catalog** Juliette Yaakov,1999 In librarian s office *Shōgun* James Clavell,2018-09-11 After Englishman John Blackthorne is lost at sea he awakens in a place few Europeans know of and even fewer have seen Nippon Thrust into the closed society that is seventeenth century Japan a land where the line between life and death is razor thin Blackthorne must negotiate not only a foreign people with unknown customs and language but also his own definitions of morality truth and freedom As internal political strife and a clash of cultures lead to seemingly inevitable conflict Blackthorne s loyalty and strength of character are tested by both passion and loss and he is torn between two worlds that will each be forever changed Powerful and engrossing capturing both the rich pageantry and stark realities of life in feudal Japan *Sh gun* is a critically acclaimed powerhouse of a book Heart stopping edge of your seat action melds seamlessly with intricate historical detail and raw human emotion Endlessly compelling this sweeping saga captivated the world to become not only one of the best selling novels of all time but also one of the highest rated television miniseries as well as inspiring a nationwide surge of interest in the culture of Japan Shakespearean in both scope and depth *Sh gun* is as the New York Times put it not only something you read you live it Provocative absorbing and endlessly fascinating there is only one *Sh gun* **Womb Awakening** Azra Bertrand,Seren Bertrand,2017-08-15 Rediscover the lost ancient mystery teachings of the Cosmic Womb 2017 Nautilus Silver Award Explains how each of us has a holographic blueprint of the Womb of Creation our spiritual Womb Offers practices to help awaken your spiritual Womb experience the Womb of God within and activate the Womb s sacred magic of creation and manifestation Looks at the power of the moon and its connection to sacred Womb Consciousness Explores how the lost Womb mystery teachings were encoded in folk and fairy tales the legends of the Holy Grail and the traditions of Mary Magdalene and Sophia Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation where everything was birthed and dissolved through a sacred universal Womb Within each of us whether female or male lies a holographic blueprint of this Womb of Creation connecting us to the Web of Life By awakening your spiritual Womb the holy of holies within the temple of your body you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love Drawing on mythical and spiritual traditions from almost every culture Dr Azra and Seren Bertrand reconstruct the moon based feminine mystery teachings of a lost global Womb religion tracing the tradition all the way back to the Neanderthals
