**The Secret Doctrine** Helena Petrovna Blavatsky, 1993-01-01 A fountain of esoteric knowledge for deep truth seekers this classic work examines the birth and structure of the universe and how everything has the Divine as its source It also traces the development of humanity drawing from sacred scriptures mythology and legends to give a spiritual view of human beings Volume III is an index to help readers find any topic easily Illustrations      *The Secret Doctrine* Helena Petrovna Blavatsky, 1893

*The Secret Doctrine: Occultism* Helena Petrovna Blavatsky, 1897      **The Secret Doctrine: The Synthesis of Science, Religion, and Philosophy (Complete)** Helena Petrovna Blavatsky, 2020-09-28 Since the appearance of Theosophical literature in England it has become customary to call its teachings Esoteric Buddhism And having become a habit as an old proverb based on daily experience has it Error runs down an inclined plane while Truth has to laboriously climb its way up hill Old truisms are often the wisest The human mind can hardly remain entirely free from bias and decisive opinions are often formed before a thorough examination of a subject from all its aspects has been made This is said with reference to the prevailing double mistake a of limiting Theosophy to Buddhism and b of confounding the tenets of the religious philosophy preached by Gautama the Buddha with the doctrines broadly outlined in Esoteric Buddhism Any thing more erroneous than this could hardly be imagined It has enabled our enemies to find an effective weapon against Theosophy because as an eminent P li scholar very pointedly expressed it there was in the volume named neither Esotericism nor Buddhism The esoteric truths presented in Mr Sinnett s work ceased to be esoteric from the moment they were made public nor did the book contain the religion of Buddha but simply a few tenets from a hitherto hidden teaching which are now explained and supplemented by many more in the present volumes And even the latter though giving out many fundamental tenets from the Secret Doctrine of the East raise but a small corner of the dark veil For no one not even the greatest living Adept would be permitted to or could even if he would give out promiscuously to a mocking unbelieving world that which has been so effectually concealed from it for long ons and ages Esoteric Buddhism was an excellent work with a very unfortunate title though it meant no more than does the title of this work The Secret Doctrine It proved unfortunate because people are always in the habit of judging things by their appearance rather than by their meaning and because the error has now become so universal that even most of the Fellows of the Theosophical Society have fallen victims to the same misconception From the first however protests were raised by Brahmans and others against the title and in justice to myself I must add that

Esoteric Buddhism was presented to me as a completed volume and that I was entirely unaware of the manner in which the author intended to spell the word Budh ism      The Secret Place Dr. Andrew Babu,2017-10-19 Do you want to enjoy a life of abiding in the presence of God Christian life should be the most exciting life on earth You have received eternal life and the God who created the heavens and the earth Himself becomes your Father Because of this every day you should be buzzing with life Yet this is not the reality to many Christians Why What is it that we are missing The purpose of the creation of man is to have fellowship with the Father Jesus Christ came and died for our sins so that this fellowship which was broken by sin would be restored Through Christ one comes into relationship with God However very few have intimate fellowship with the Father This is mostly because of ignorance of the finished work of Jesus Christ The invitation to come into the presence of the Father is open to all yet taken by few In this book Andrew Babu tackles some of the hindrances that prevent us from enjoying fellowship with the Father This book will free you from the yoke of religious bondage and liberate you into the open spaces of Gods grace      *A SECRET PLACE IN GOD* Geraldine Butler,2020-11-05 He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty Psalm 91 1 Those individuals who have chosen to accept Jesus Christ as their personal savior need the opportunity to learn the path to salvation It is their privilege to know the many blessed ways to seek him In my scriptural based writing *A Secret Place in God* individuals will be guided on their journey In the book examples are taken from the Bible and lessons can be learned based upon experiences posed by men and women in God s word My personal testimony is also shared in this piece Individuals of all ages will learn that they are not alone and there comes a time that they must make the decision to choose Christ over their own thoughts and feelings and know that he has a better path of life for them In addition in *A Secret Place in God* after having walked with God in the beauty of holiness for over forty years I have shared many attributes of my knowledge of God as a healer a comforter a guide in every situation of which we are confronted and most of all as a savior Also included are self created lessons that can be shared with other teachers of God s word My main purpose for writing this book is to make individuals aware that they can have their own personal walk with God and that they can count on him to acknowledge and answer their most personal requests in life Please visit the author s website at [www.gbutlerauthor.com](http://www.gbutlerauthor.com) Author email [gbutlerauthor@gmail.com](mailto:gbutlerauthor@gmail.com)      **Sacred Secrets** Mike Neville,2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand the ritual not just to

memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy theologians and any other person interested in Freemasonry to see the links between ritual and scripture
