VOL. 2**

19-33 DEGREES

Secrets Of Scotch Rite Masonry

Barb Karg, Rick Sutherland

Secrets Of Scotch Rite Masonry:

Secrets of Scotch Rite Masonry Anonymous, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **Secrets and Practices of the Freemasons** Jean-Louis de Biasi, 2025-08-05 Uncover the fascinating truth behind Freemasonry and incorporate symbolic rituals into your life with this remarkably detailed and comprehensive insider's guide. Jean-Louis de Biasi, a 32nd Degree Freemason who has been involved in the order for over twenty years, offers a candid look at the essential aspects of Freemasonry. Basing his work on original texts and archaeological findings, de Biasi details the Masonic tradition's history, the degree-based system of the Scottish Rite, and their ethical teachings and philosophies. He provides evidence of Freemasonry's origination in the Ancient Western Mysteries and its Hermetic and Qabalistic underpinnings, and then traces how the Founding Fathers used this knowledge to embed sacred symbolism into the U.S. Capitol and throughout Washington, D.C. From the power-charged grids within architecture to Albert Pike's highly influential teachings from the Rose Cross mysteries to the Masonic themes in Dan Brown's popular books, *Secrets and Practices of the Freemasons* shines a revelatory light on this captivating subject. Also featured: genuine Masonic meditations and individual rituals with easy-to-follow instructions, plus interviews with scientists who lend their perspectives on Freemasonry as it is viewed and practiced today. Secret Ritual and Manhood in Victorian America Mark Christopher Carnes, 1989-01-01 In this study of American 19th-century secret orders, the author argues that religious practices and gender roles became increasingly feminized in Victorian America, and that secret societies such as the Freemasons offered men and boys an alternative male counterculture. **Scotch Rite Masonry Illustrated** Scottish Rite (Masonic order), 1944 **Key to Masonry, and Kindred Secret Combinations** John Levington, 1871 **Freemasonry in Context** Art DeHoyos, S. Brent Morris, 2004-01-01 Freemasonry has had a long enduring and yet at times largely invisible influence on American culture and society. The decreased visibility of Freemasonry has to do directly with there being very few scholarly resources on the subject. In the history of the United States, reaction to Freemasonry led to America's first third party, the Anti-Masonic Party. Much of America's social safety net from the Civil War to the Second World War was provided by the orphanages, retirement homes, and insurance programs of Freemasonry. Freemasonry has also influenced the development of other fellowships: Knights of Pythias, Elks, Moose, Woodmen of the World, and Knights of Columbus, to name a few. At its peak in 1960, Freemasonry claimed 4.2 million members, one out of every twenty males in the United States. In *Freemasonry in Context: History, Ritual, Controversy*, editors Arturo de Hoyos and S. Brent Morris feature work by renowned Masonic scholars. Essays explore the rich and often controversial events that comprise the cultural and social history of Freemasonry. Other essays discuss the function and development of ritual rites and practices.

The scholarship in this volume represents ten years of scholarly investigations by the Scottish Rite Research Society
Freemasonry in Context is the most authoritative compendium of Masonic scholarship available Contained within this volume
is the most erudite scholarly reflection on an enormous body of research conducted by academic historians and Masonic
authors

**The Secret Tradition in Freemasonry and an Analysis of the Inter-relation Between the Craft and the
High Grades in Respect of Their Term of Research, Expressed by the Way of Symbolism** Arthur Edward Waite,1911

Secret Tradition in Freemasonry Aurthur Edward Waite,2010 **The History of Freemasonry and Masonic Digest:
Embracing an Account of the Order from the Building of Solomon's Temple, Its Progress Hence Throughout the
Civilized World to 1858** James W. S. Mitchell,1868 The Secret Teachings of the Masonic Lodge John Ankerberg,John

Weldon,1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the
camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very
foundations of Christianity
