People Don't Tell You Michael,2018-11-05 Finally a gateway to the mind of successful people and how anyone can adapt his or her minds to be successful as well Do you want to be successful Do you wish to be the man or woman of your dreams yet you don't know how to get there If you ever have unanswered questions about how can this or that person be so successful or your life long dream to be one but you don't know where to start or what to change in your life and tired of being unhappy in what you're doing now this book is a must read for you You must be looking around the internet for answers but everything just seemed the same If you have been searching the answer to success in the past but still couldn't manage to be successful or if you saw small results in the beginning but you failed again and again you are certainly not alone and it's definitely okay You see working hard simply do not work if you don't know where you're going Everyone will tell you that working hard is the only way that you could achieve success but that is not true Here in this book you will know what really shapes a person to be successful The Secrets that successful people don't tell you This book is not a get rich quick scheme that will turn you into a millionaire We are focused to change our personal attitude into a life long discipline in order for you to reach your goals and live your dream By following these changes and applying them into your lifestyle we can slowly but surely take you to the path to success With this secret we can GUARANTEE you will be able to move closer to your goals think like a successful person and eventually become one Will this book really make me successful Yes and no This

book is merely as a stepping stone and catalyst for you to be where you want to be You will have to decide if you really want to use the knowledge you have learned and take action immediately Think about what you are doing now the good and the bad and realize what you will be if you continue in your current path Do you want to stay where you are Or step outside of your comfort zone and exceed the limit that you think you are only capable of doing If you choose the latter Then It s Finally Time to Take Action Don t put it off any longer Do yourself a huge favour and join the thousands of people getting amazing results Are you ready to change your life Scroll up grab this book and take the next step to be successful I am looking forward to seeing you on the inside and further connecting with you by email Facebook or any other platform we may come across

The Laws and Secrets of Success Alex F

Hammer,2020-06-05 This book is written in the style of the great Napoleon Hill Think about this With all of the success books out there why don t we have more successful people Too many success books simply rehash conventional wisdom The truly great success books such as Napoleon Hill s Think and Grow Rich instead enable life challenging success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world s most successful individuals The only way to do this is to study the world s most successful individuals as Napoleon Hill has done And as I have done as well For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which sets them apart in terms of their success And that is what I share with you here Get ready to throw out many of the things that you thought you knew about success Let s start at the beginning with a simple truth Success is hard Very Hard Very very very hard We all know that once we have had a little bit of experience and are honest with ourselves We all want to be more successful but let s face it sometimes we just don t know how It s because as they say We don t know what we don t know So we make the same mistakes over and over again often without fully realizing it until later And then we blame ourselves or others in regard to why things didn t turn out as we had hoped or planned It s this simple If you want to increase your level of success read this book We all go through the same struggles This book simply but powerfully is your instruction manual on how to overcome them Read this book and in 60 days you won t even recognize the person you used to be And neither will your family and friends This is the type of change that allows you to get the things you really want in life The things previously outside your reach The things you saw others gain and achieve but never seemed to be able to get for yourself That can change today We all know that a few better ideas can accelerate one s success substantially Successful people take their better ideas and know how to leverage them further and execute them better than other people do Once you understand the processes that successful people utilize to do this you can very quickly ramp up your own success as well Everybody struggles Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals Success breeds confidence making it easier overtime If you don t want to keep making the same mistakes over and over

again you need to understand and understand well what these success principles are That is what this book provides to you
