Avalon,2009-05 It started out as rage against self serving insider books by executives Not until Moses Avalon wrote from the viewpoint of those on the creative side did we finally get a fair and balanced view of how the music business really works It s been 10 years since Confessions of a Record Producer published real life numbers showing what artists made on so called hit records and how producers labels managers and even the artists own lawyers conspire to cheat them out of royalties Since then Confessions has made it onto the required reading list in nearly all major music business programs around the world including NYU UCLA USC Full Sail and prestigious law schools like Loyola It s stayed in the top 10% of all books distributed by Amazon and won testimonials from top industry pros confirming that it s the only publication that tells the real story of how artists get ripped off and how they can protect their assets Now in a special 10th Anniversary Edition author Moses Avalon one of the industry s most sought after consultants and artist s rights gurus has put even more teeth wrenching reality at the reader s fingertips The anniversary edition has updates on all of the old shames and many new ones created by the internet and the ongoing transformation of the music industry Highlights The only published critical analysis of the

performing rights industry Detailed numbers on how new royalties from digital downloads are calculated collected and manipulated The changing team Once considered to be the immortal trio manager lawyer producer has now become webmaster aggregator viral marketer Who to tool up with and who is just a tool are revealed deep inside the new so called 360 Deals offered by the major labels Are they a desperate attempt to stay alive or can artists finally get paid Are CDs really dead or is it an RIAA manipulation How long can we expect the industry standard to stay relevant Plus a DVD ROM containing private lessons from Moses Avalon s world famous Confessions of a Record Producer Workshop a hot ticket every year for top music lawyers managers producers artists and songwriters Groundbreaking charts and graphs show industry consolidation who owns what and where the future of the music business is headed *Bibliographic Guide to Music* New York Public Library. Music Division,2004 *The Irving Berlin Reader* Benjamin Sears,2012-04-06 Without any formal training in music composition Irving Berlin took a knack for music and turned it into the most successful songwriting career in American history Berlin was the first Tin Pan Alley songwriter to go uptown to Broadway with a complete musical score Watch Your Step in 1914 he is the only songwriter to build a theater exclusively for his own work The Music Box and his name appears above the title of his Broadway shows and Hollywood films Irving Berlin s Holiday Inn still a rare honor for songwriters Berlin is also notable due the length of his career in American Song he sold his first song at the age of 18 and passed away at the age of 101 having outlived several of his own copyrights Throughout his career Berlin showed that a popular song need not be of a lesser quality than songs informed by the principles of classical music composition Forty years after his last published song many of his songs remain popular and several have even entered folk song status something no other 20th century American songwriter can claim As one of the most seminal figures of twentieth century both in the world of music and in American culture more generally and as one of the rare songwriters equally successful with popular songs Broadway shows and Hollywood scores Irving Berlin is the subject of an enormous corpus of writing scattered throughout countless publications and archives A noted performer and interpreter of Berlin s works Benjamin Sears has unprecedented familiarity with these sources and brings together in this Reader a broad range of the most insightful primary and secondary materials Grouped together according to the chronology of Berlin s life and work each section and article features a critical introduction to orient the reader and contextualize the materials within the framework of American musical history Taken as a whole the writings many by Berlin himself provide a new perspective on Berlin that highlights his musical genius in the context of his artistic development **Popular Mechanics** ,1963-11 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Introduction to Music Publishing for Musicians** Bobby Borg,Michael Eames,2021-06-03 At a time when artists are independently releasing their own music and acting as their own self publishers there has never been a greater
