Abortion continues to be a hot topic in politics women's rights and medical practice But for the eight to ten million American Christian women who have had one abortion is a spiritual issue as well raising questions of life and death heaven and hell grief and loss Writing from her own experience Kim Ketola sheds light on one of the darkest and most neglected personal issues of our time the widespread need for healing and spiritual recovery after abortion After abortion brought the worst trouble into my life I had ever known writes Ketola I just couldn't see my way free to believe in God's love With a compassionate heart Ketola offers ten true stories of healing promise from the Bible to help women answer the most common spiritual torments they face Is abortion a sin Does God hate me Where can I turn in my shame and distress How could I ever tell anyone the truth And more Inspired by Romans 6:4 just as Christ was raised from the dead through the glory of the Father we too may live a new life this is a definitive resource to help women see themselves and God anew and finally to find spiritual healing *Collection of Programs, Cards of Admission and Newspaper Clippings Concerning the College of the City of New York and Columbia College*, 1874 *From the Cradle to the Pulpit* Aubrey C.H.
