Secrets In My Closet:

Secret Shakespeare Richard Wilson, 2024-06-04 Shakespeare's Catholic context was the most important literary discovery of the last century. No biography of the Bard is now complete without chapters on the paranoia and persecution in which he was educated or the treason which engulfed his family. Whether to suffer outrageous fortune or take up arms in suicidal resistance was as Hamlet says the question that fired Shakespeare's stage. In *Secret Shakespeare* Richard Wilson asks why the dramatist remained so enigmatic about his own beliefs and so silent on the atrocities he survived. Shakespeare constructed a drama not of discovery like his rivals but of darkness, deferral, evasion and disguise where for all his hopes of a golden time of future toleration, what's to come is always unsure. Whether or not He died a papist it is because we can never pluck out the heart of his mystery that Shakespeare's plays retain their unique potential to resist. This is a fascinating work which will be essential reading for all scholars of Shakespeare and Renaissance studies. **Secrets of the Past** Allen

Upward, 1909 *Secrets Unraveled: Overcoming Munchausen Syndrome* Andrea Avigal, Thomas G Hall Ph.D, 2012-05-23 *Secrets Unraveled* offers a gripping account of how a psychotherapy relationship can help even the most tortured mind. The mystery of mental illness is never more evident than with Munchausen Syndrome or Factitious Disorder where people intentionally make themselves sick or injured to gain love and attention. Seldom discussed, this disturbing condition often leaves clinicians baffled. Dr Hall delves exhaustively into his patient's abusive childhood, telling the story of how she developed such a crippling disorder. In this bold, brave book, readers will find solace, insight and inspiration. It is a landmark book that should interest not only Munchausen patients and their professional caregivers but also anyone interested in psychology, mental health treatment and medical mysteries. This is the first book that firmly counters the therapeutic nihilism surrounding the condition, offering hope to patients and families that recovery is achievable. The unique presentation of dual voices, the patient's and the therapist's, allows profound insights into the challenging psychodynamics of Munchausen syndrome and the effort required for resolution. I heartily recommend *Secrets Unraveled* to all interested readers. back cover

Secrets of My Heart Imania Margria, 2016-06-07 The deepest desires hidden in the depth of my eyes. These are just a few secrets taking refuge in my heart. Everyone has secrets hidden somewhere deep inside of them. Not everyone has the courage to reveal the secrets hidden deep inside them because they are afraid they might negatively affect their lives. But when the risk is worth taking, releasing the burden of secrets can provide rewards greater than our fears. In her collection of poetry and prose, Imania Margria shares long hidden secrets of her heart with the hope that she will inspire others to do the same. Within verse that explores secrets of love, forbidden desire, hope, loss and passion, offered in English, Italian and Spanish, Margria candidly reflects on her emotions as she searches for answers, her purpose and her true love. Included in her poignant collection is an excerpt of Margria's soon to be released romance novel *Eyes*. *The Wife's Secret* George William Lovell, 1871 *SECRETS VOL. 2 - Infused Passion* MS.
