The Secret Life of the American Musical Jack Viertel, 2016-03-01 New York Times Bestseller Both revelatory and entertaining Along the way Viertel provides some fascinating Broadway history The New York Times Book Review Americans invented musicals and have a longstanding love affair with them But what exactly is a musical In this book longtime theatrical producer and writer Jack Viertel takes them apart puts them back together sings their praises and occasionally despairs over their more embarrassing shortcomings In the process he shows us how musicals happen what makes them work how they captivate audiences and how one landmark show leads to the next by design or by accident by emulation or by rebellion from *Oklahoma!* to *Hamilton* and onward Beginning with an overture and concluding with a curtain call with stops in between for I Want songs conditional love songs production numbers star turns and finales
