Secrets Of The Still

Luc Desaunettes-Barbero

Secrets Of The Still:

Secrets Sissela Bok, 1989-12-17 The author of Lying shows how the ethical issues raised by secrets and secrecy in our careers or private lives take us to the heart of the critical questions of private and public morality

Secrets, Gossip, and Gods Paul Christopher Johnson, 2002-08-15 In this wide ranging book Paul Christopher Johnson explores the changing hidden face of the Afro Brazilian indigenous religion of Candomblé. Despite its importance in Brazilian society Candomblé has received far less attention than its sister religions Vodou and Santería. Johnson seeks to fill this void by offering a comprehensive look at the development, beliefs and practices of Candomblé and exploring its transformation from a secret society of slaves, hidden, persecuted and marginalized to a public religion that is very much a part of Brazilian culture. Johnson traces this historical shift and locates the turning point in the creation of Brazilian national identity and a public sphere in the first half of the twentieth century. His major focus is on the ritual practice of secrecy in Candomblé. Like Vodou and Santería and the African Yoruba religion from which they are descended, Candomblé features a hierarchic series of initiations with increasing access to secret knowledge at each level. As Johnson shows, the nature and uses of secrecy evolved with the religion. First, secrecy was essential to a society that had to remain hidden from authorities. Later, when Candomblé became known and actively persecuted, its secrecy became a form of resistance as well as an exotic hidden power desired by elites. Finally, as Candomblé became a public religion and a vital part of Brazilian culture, the debate increasingly turned away from the secrets themselves and toward their possessors. It is speech about secrets and not the content of those secrets that is now most important in building status, legitimacy and power in Candomblé. Offering many first hand accounts of the rites and rituals of contemporary Candomblé, this book provides insight into this influential but little studied group while at the same time making a valuable contribution to our understanding of the relationship between religion and society

Secrets and Wives Sanjiv Bhattacharya, 2013-07-01 What do we really know about modern practicing polygamists, not fictional ones like the Henrickson family on HBO's Big Love? We've seen the Fundamentalist Church of Jesus Christ of Latter Day Saints in the news, the underage brides in pioneer dresses on a Texas ranch. But the FLDS is just one of many groups that have broken with mainstream Mormonism to follow those parts of Joseph Smith's doctrine disavowed by the LDS Church. Gaining unprecedented access to these communities, journalist Sanjiv Bhattacharya reveals a shadow country teeming with small town messiahs, dark secrets and stories both heartbreaking and strange. Polygamy's dark side: incest, forced marriages and physical abuse is laid bare. But Bhattacharya also finds warmth in the fundamentalist diaspora and even finds himself taking an ideological stand for polygamy's legalization. More than just an expose of Mormon polygamy, *Secrets and Wives* is the personal journey of a foreign atheist and liberal, a stranger in a strange land who grapples with hard questions about marriage, monogamy and the very nature of faith

Parliament's Secret War Veronika Fikfak, Hayley J Hooper, 2018-02-22 The invasion of Iraq in 2003 and the Coalition Government's failure to win parliamentary approval for armed intervention in

Syria in 2013 mark a period of increased scrutiny of the process by which the UK engages in armed conflict For much of the media and civil society there now exists a constitutional convention which mandates that the Government consults Parliament before commencing hostilities This is celebrated as representing a redistribution of power from the executive towards a more legitimate democratic institution This book offers a critical inquiry into Parliament's role in the war prerogative since the beginning of the twentieth century evaluating whether the UK's decisions to engage in conflict meet the recognised standards of good governance accountability transparency and participation The analysis reveals a number of persistent problems in the decision making process including Parliament's lack of access to relevant information government legalisation of parliamentary debates which frustrates broader discussions of political legitimacy and the skewing of debates via the partial public disclosure of information based upon secret intelligence The book offers solutions to these problems to reinvigorate parliamentary discourse and to address government withholding of classified information It is essential reading for anyone interested in war powers the relationship between international law and domestic politics and the role of the Westminster Parliament in questions of national security

Practical Social Work Ethics Malcolm Carey, Lorraine Green, 2013 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging With a focussed and clear writing style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role

The Whole Works of the Most Reverend Father in God, Robert Leighton, D.D., Archbishop of Glasgow Robert Leighton, 1830 **The Whole Works of Robert Leighton, Archbishop of Glasgow** Robert Leighton, John Norman Pearson, 1825 **The Whole Works of the Most Reverend Father in God, Robert Leighton** Robert Leighton (Abp. of Glasgow), John Norman Pearson, 1825

Trade Secrets Legal Protection Luc Desautnettes-Barbero, 2023-06-10 Despite the economic relevance of trade secrets their legal protection is not based on a robust theoretical corpus and a large uncertainty remains regarding how they should be legally apprehended The present book investigates the foundations of their legal protection by assessing its justifications and aims to define how this legal apprehension should be organized The book starts with a comparative analysis of the US and the EU legal frameworks It demonstrates the parentship existing between the two systems of protection and highlights that the incremental structuring of trade secrets protection has led to legal systems lacking broad based conceptual foundations In both legal orders trade secrets rely on blurred protection formally anchored in unfair competition the strength of which however comes closer to that offered by intellectual property law In this convoluted architecture the judiciary is required to play a decisive role especially at the enforcement stage However the absence of clarity concerning the telos of trade secrets protection leads to

legal uncertainty potentially incoherent enforcement and all in all to inefficient outcomes from a welfare perspective The book then explores a theoretical framework based on a distinction between two legal objects the undertakings secret sphere and secret pieces of information Securing the undertakings secret sphere appears as a condition for the competition process to happen in an economy working under structural uncertainty It requires objective regulations enforced by public authorities On the other hand the legal apprehension of secret pieces of information should be considered as falling within the realm of immaterial goods regulation aiming to solve the deficit of marketability of this type of good This might call after conducting a careful policy trade off for the establishment of relative i e inter partes subjective rights The Secret of

Mental Magic William Walker Atkinson,1907

Secrecy and Disclosure in Victorian Fiction Leila Silvana

May,2016-07-15 Why were the Victorians more fascinated with secrecy than people of other periods What is the function of secrets in Victorian fiction and in the society depicted how does it differ from that of other periods and how did readers of Victorian fiction respond to the secrecy they encountered These are some of the questions Leila May poses in her study of the dynamics of secrecy and disclosure in fiction from Queen Victoria s coronation to the century s end May argues that the works of writers such as Charlotte Bront William Makepeace Thackeray Mary Elizabeth Braddon Edward Bulwer Lytton and Arthur Conan Doyle reflect a distinctly Victorian obsession with the veiling and unveiling of information She argues that there are two opposing vectors in Victorian culture concerning secrecy and subjectivity one presupposing a form of radical Cartesian selfhood always remaining a secret to other selves and another showing that nothing can be hidden from the trained eye May calls the relation between these clashing tendencies the dialectics of secrecy and disclosure May s theories of secrecy and disclosure are informed by the work of twentieth century social scientists She emphasizes Georg Simmel s thesis that sociality and subjectivity are impossible without secrecy and Erving Goffman s claim that sociality can be understood in terms of performativity the presentation of the self in everyday life and his revelation that performance always involves disguise hence secrecy May s study offers convincing evidence that secrecy and duplicity in contrast to the Victorian period s emphasis on honesty and earnestness emerged in response to the social pressures of class gender monarchy and empire and were key factors in producing both the subjectivity and the sociality that we now recognize as Victorian

Secrets Of The Still Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Secrets Of The Still free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Secrets Of The Still free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Secrets Of The Still free PDF files is convenient, its important to

note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Secrets Of The Still. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Secrets Of The Still any PDF files. With these platforms, the world of PDF downloads is just a click away.
