Emerging Global Issues

Security In A Post Cold War World

James D. Moore

Security In A Post Cold War World:

Security in a Post-Cold War World R. Patman,1999-06-23 For much of the post war era the substance and scope of international security was defined by the parameters of the Cold War But the end of the Cold War has created a new global context This book seeks to map out the nature of post Cold War security by exploring the patterns of international conflict weighing non state challenges to security examining inter state cooperation in the security field and evaluating the security dynamics of the Asia Pacific region

Collective Security in the Post-Cold War World United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1993

China's Quest for Security in the post-Cold War World , **International Intervention in the Post-Cold War World** Michael C. Davis,Wolfgang Dietrich,Bettina Scholdan,2017-07-28

International intervention on humanitarian grounds has been a contentious issue for decades First it pits the principle of state sovereignty against claims of universal human rights Second the motivations of intervening states may be open to question when avowals of moral action are arguably the fig leaf covering an assertion of power for political advantage These questions have been salient in the context of the Balkan and African wars and U S policy in the Middle East This volume undertakes a serious systematic and broadly international review of the issues

Security Without War Michael Shuman,Hal Harvey,2019-06-21

The Cold War may be over but the United States is still practicing Cold War foreign policies From the Persian Gulf to El Salvador from Bosnia to Somalia U S policymakers continue to rely on force threats arms and military aid A fundamental redefinition of national security beyond war and militarization beyond bilateralism beyond sovereign states is long overdue In Security Without War a dynamic author team lays out new principles and policies for the United States to adopt in a post Cold War world Shuman and Harvey encourage Americans to take account of all threats not just military ones to emphasize preventing conflicts over winning wars to enhance every nation s security including that of its enemies to favour multilateral approaches over bilateral ones and to promote greater citizen participation in foreign policy Throughout they show how military political economic and environmental security interests are all linked and how emphasizing one over the others can undermine the nation s safety Security Without War brings together for the first time the major elements of post Cold War security thought The authors show how a new framework for U S international relations can enhance U S and indeed global security at a substantially lower cost

U.S. Intervention Policy in the Post-cold War World Frances K. Scott,1994 United States Security Interests in the Post-cold-war World

United States. Congress. House. Committee on National Security,1996

Collective Security in the Post-Cold War World James D. Moore,1995

Security Issues in the Post-cold War World M. Jane Davis,1996 Security Issues in the Post Cold War World focuses on the changing international security agenda and the serious political instabilities many rooted in ethnic nationalisms and long standing border disputes which have resurfaced with the end of the Cold War

Regionalism in the Post-Cold War World Stephen Calleya,2018-03-29 This title was first published in 2000 This text describes analyzes

and projects the implications of regionalism on contemporary international relations Regional policy positions are examined in order to increase our understanding of how the direct impact patterns of relations at a regional level of analysis are having in the shifting balance of international power The book clarifies what types of regional dynamics are manifesting themselves in different parts of the world and consists of both theoretical and empirical assessments similar to those developed in the author's previous book on regionalism that ensures that the comparative analysis conducted is a comprehensive and coherent one

The Navy in the Post-Cold War World Colin S. Gray, 1994 The Navy in the Post Cold War World is the first book to invite the reader to think strategically explores the strategic relationship among sea land and air power with particular attention to the course of a conflict viewed as a whole and ventures boldly into the region of the meaning of space strategy for maritime power and the relevance of that power in the still emerging post Cold War security environment The Navy in the Post Cold War World is unusual because it is written by an internationally recognized general strategic theorist and analyst rather than by a long standing naval writer Gray is thus better able to view naval issues in proper perspective Gray delves deeply into the role of sea power as an enabling agent and team player in the overall enterprise of national and international security He provides the most current assessment of what sea and space power mean for each other as well as envisioning the future of maritime oriented defense

U.S. intervention policy in the post-cold war world, Pakistan's National Security Approach and Post-Cold War Security Arshad Ali, 2021-03-31 This book analyzes the paradox that despite being a national security state Pakistan has become even more insecure in the post Cold War era It provides an in depth analysis of Pakistan's foreign and security policies and their implications for the overall state and society The book identifies the immediate security challenges to Pakistan and charts the distinctive evolution of Pakistan's national security state in which the military elite became the dominant actor in the political sphere of government during and after the Cold War period By examining the national security state militarization democracy and security proxy wars and the hyper military industrial complex the author illustrates how the vanguard role of the military created considerable structural sociopolitical economic and security problems in Pakistan Furthermore the author argues that the mismatch between Pakistan's national security stance and the transformed security environment has been facilitated and sustained by the embedded interests of the country's military industrial complex A critical evaluation of the role of the military in the political affairs of the government and how it has created structural problems for Pakistan this book will be of interest to academics in the field of South Asian Politics and Security South Asian Foreign and Security Policy International Relations Asian Security and Cold War Studies

The United Nations Security Council in the Post-Cold War Era Kenneth Manusama, 2006 This volume examines the role of international law in the Security Council's decisions and decision making process since the end of the Cold War with the principle of legality as theoretical framework

NATO's Durability in a Post-Cold War World Joe Burton, 2018-02-20 Examines how NATO has adapted and endured after the end of the Cold War transforming itself to deal

with a host of new security challenges Why is it that despite the end of the Cold War and the almost constant controversies surrounding the alliance's role in the world the North Atlantic Treaty Organization NATO is still a prominent and vital player in international security Joe Burton provides an in depth analysis of NATO's changing role in the post Cold War era and its ability to survive adapt and meet the needs of its members in an increasingly turbulent globalized security environment He offers a historically and theoretically informed account of NATO that isolates the core dynamics that have held the alliance together in troubled times In particular he examines a series of processes and events from the 1990 Gulf War to the rise of the Islamic State that help explain NATO's continuing relevance This book does an excellent job of chronicling key events that have led to NATO's ongoing presence in international relations as a key provider of global security Ryan C Hendrickson author of *Diplomacy and War at NATO The Secretary General and Military Action after the Cold War* *Collective Security in the Post-Cold War World (Classic Reprint)* United States Congress House Co East, 2018-01-29 Excerpt from *Collective Security in the Post Cold War World* In order to explore the changes which have resulted from the end of the cold war to consider appropriate u s Policies to cope with this changed environment and to examine as the organizational and institutional questions involving the United Nations and nato the Subcommittee on International Security International Organizations and Human Rights with the Subcommittee on Europe and the Middle East conducted a series of joint hearings on the subject *Collective Security in the post cold ar World* About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Rethinking Security in Post-Cold-War Europe](#) William Park, G. Wyn Rees, 2014-06-11 Provides a survey of the principal items on the agenda following the end of the Cold War focusing upon the institutions and regions where the reconsideration of security issues has been particularly profound The book is organised into three main sections the first examines the changed roles of the main security institutions which have survived the Cold War NATO the European Union Western European Union and the Organisation for Security and Cooperation in Europe The second analyses the Central European countries Russia and States of the former Soviet Union in terms of their ideologies political structures and relationships of the Cold War period Lastly the text examines the northern and southern regions of Europe where quite different perspectives and agendas are concerned

China's Security Interests in the Post-Cold War Era Dr Russell Ong, Russell Ong, 2013-12-19 Concentrates on the economic and political aspects of China's security agenda which have to a certain extent been given less prominence in most security studies on China **NATO's Post-Cold War Trajectory** M. Webber, J. Sperling, M. Smith, 2012-08-20 Two decades

since the watershed of the Cold War this book investigates NATO's staying power This book investigates how the Alliance has adapted and managed to attend to new roles and purposes through the lens of International Relations theory The Alliance will continue but will remain subject to ongoing crises and challenges of change **SECURITY WITHOUT WAR** MICHAEL. HARVEY SHUMAN (HAL.), 2019
