Forum and Column Review, 1929. *Narrating Utopia*. Chris Ferns, 1999-05-01. Utopian societies exhibit a variety of ways of organising the financial, political, and emotional relationships between people. For all this diversity, however, one thing that exhibits far less variation is the story, the framing narrative that accounts for how the narrator reaches the more perfect society and obtains the opportunity to witness its distinctive excellences. *Narrating Utopia* is about that story, the curious hybrid of the traveller's tale and the classical dialogue that emerges in the Renaissance but whose outlines remain clearly apparent even in some of the most recent utopian writing.
