Seduction Of Morality:

The Seduction of Morality Thomas Murphy, 1995 The Irish playwright Tom Murphy's first novel Featuring a 38 year old who returns from America to the small Irish town of her childhood it is a story about the awakening of a woman's capacities for love and sex and a tale of family rivalries **The Ethical Seduction of the Analytic Situation** Viviane

Chetrit-Vatine, 2018-05-11 According to Jacques Andre the patient's encounter with the analyst is a scene of seduction the seductive statement being that of the fundamental rule or the invitation to address that which is most intimate or personal to a complete stranger But the practice of psychoanalysis can only unfold if there is a strict respect for ethics The words seduction and ethics which at first sight seem mutually exclusive are thus as the author shows at the heart of the analytic perspective The author takes as her starting point an encounter which is not necessarily consensual between Emmanuel Levinas thought and his conception of philosophy as ethics ethics understood as responsibility for the other and that of the psychoanalyst Jean Laplanche who posits the first adult other as a seducer of the young psyche from the outset due to the transmission of enigmatic messages compromised by his or her unconscious The analyst's ethical position is re-examined and with it the feminine maternal origins of the human capacity for responsibility for the other Seduction, Prostitution, and

Moral Reform in New York, 1830-1860 Larry Whiteaker, 2021-12-12 First published in 1998 In June 1831 the New York Magdalen Society published its first annual report The Society charged that widespread sexual deviation primarily in the form of prostitution existed in New York City The Magdalen Report claimed that approximately ten thousand women earned their livings as public prostitutes and another ten thousand were private or part-time prostitutes The Magdalen Society's establishment and the subsequent publication of the Magdalen Report marked the beginning of a crusade in New York City to curtail sexual deviation and this study looks at the changes and reforms that took place Tom Murphy's Theatre of

Everyday Space Moonyoung Hong, 2025-05-08 By the time of his death in 2018 Tom Murphy was widely recognised as one of Ireland's most important modern playwrights Ireland's experience of rapid modernisation emigration and globalisation is vividly captured in his plays challenging generic notions of space place and the nation In particular his drama reconfigures Irish theatre's uneasy relationship with globalisation with the peasant kitchen the pub and the bog having traditionally been exported as the quintessential Irish spaces Focusing on one of Murphy's central innovations his experimentation with theatre and everyday space the book considers the significance of Murphy's work in modern drama more broadly The idea of home has preoccupied modern playwrights since the naturalist dramas of Henrik Ibsen and Anton Chekhov leading theatre scholars to focus on the everyday space of the home to the exclusion of other everyday spaces Murphy's works by contrast offer a new politics of the exterior engaging with a diverse range of other spaces such as dancehalls grocery shops pubs hotels offices churches gasworks and airports His drama presents a global sense of the local an emotional map of the shifting geographies of everyday life By applying new theoretical perspectives and showcasing new archival materials inaccessible to

previous scholars the book revisits Murphy as an international playwright a cartographer of our modern day global village
