Seeds Of Faith Peace:

Seeds of Faith Lois Hathaway Vlad,2016-06-01 Have you ever struggled with your faith in God Do you feel like you are sinking into waves of discouragement over your situation If you have faith as small as a mustard seed nothing is impossible for you We are called to live by faith not sight Yet trials come and it feels like He has abandoned you when He delays in answering prayer Fear and doubt may try to overcome you but faith must be tried to be true God is bigger than anything you come up against but you must stand on His promises in His Word You cannot fail if only you dare to believe put your hope in God and keep your eyes ever focused on Jesus alone If you wish to know God you must know his Word If you wish to perceive His power you must see how He works by his Word If you wish to know His purpose before it comes to pass you can only discover it by His Word C H Spurgeon

Love and Loss: A Journey through Fear to Peace - Volume Four Betty Hibod,2025-01-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or

metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Bethanee Syversen,2019-05-21 After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen s deeply personal debut Mustard Seed Faith A Journey through Infertility Miscarriages Adoption and Faith is a story of believing in a God who is powerful enough and generous enough to do the impossible Bethanee always wanted to be a parent When the doctors gave their prognosis she had to decide where her strength would come from She and her husband chose to trust in God Each negative pregnancy test each unexpected loss and each adoption delay would test her heart s resolve However through every blow Bethanee discovered that God doesn t give up He never goes away And He never leaves His children unrestored Now a mother of six Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption Much of Mustard Seed Faith comes from Bethanee s blog which captured the raw emotion of her story as it unfolded In part one Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages In part two she recounts the physical toll and emotional extremes of adopting For many Bethanee s fourteen year journey is all too familiar but it is her uncommon faith in God s good and sovereign plan that inspires readers to keep hoping keep praying and keep believing

From Fear to Faith Janelle Templeton,2017-04-25 Through the life of Gideon and through Jesus s training of the disciples this study helps us understand God s process for strengthening faith While Jesus states that mustard seed faith can accomplish the miraculous we learn how God intends for
