The Seeds of Change Galen Keith Thomas,2017-11-01 The Seeds of Change is a collection of inspired poems that help bring to life several of the key lessons taught within God s word the Holy Bible These poems combined with short lessons based on key verses of scripture illustrate some of the primary elements these lessons of verse are trying to convey So often people are interested to learn more about how the Bible relates to their personal lives and experiences but they really do not know where to begin or how to go about it Th e Seeds of Change can help show them just how to achieve that relationship Th e poems package these teaching in what some might consider a more palatable and relatable form while the passages from scripture illustrate just how the Bible relates to our everyday lives By first sharing the message in language familiar to most readers then exposing the reader to that same concept within the scriptures the reader begins to understand just how God intended the Bible to be used in our everyday lives In that sense the poems and scripture combine together to create the lessons of verse that plant God s seeds of change into the mind of the reader And as any follower of our Lord and savior Jesus the Christ knows when these seeds are planted within good ground they will not return void For He is the way the truth and the life and no one will reach the father except by him
