Closure in Biblical Narrative Susan Zeeland,2011-12-23 There has been much discussion of narrative aspects of the Bible in recent years but the ends of biblical narratives how the ends contribute to closure for their stories and how the ending strategies affect the whole narrative have not been studied comprehensively This study shows how the writers and editors of short narratives in Genesis gave their stories a sense of closure or in a few cases the sense of non closure Multiple and sometimes unexpected forms of closure are identified together these form a set of closural conventions This contribution to narrative poetics of the Hebrew Bible in the light of source criticism will also be valuable to those who are interested in narrative and in concepts of closure Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis F. Ghaly FACS, MD,2019-08-26 This is the twelfth book of the series *Christianity and the Human Brain* It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus

Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life's journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

For All Peoples Craig S. Keener, 2020-08-27 Given this unique locus of today s church this book takes us back to the foundational teachings of Jesus on missions the Great Commission Gospel of Matthew and the Messianic Commission Gospel of John Although these two passages are universal in grounding Christian mission Professor Keener wants to assure that the role of the Holy Spirit is central to Christian living and acting as God s witnesses Wonsuk Ma PhD Dean Distinguished Professor of Global Christianity College of Theology and Ministry Oral Roberts University Craig Keener one of the finest and most prolific NT scholars of our day has produced another gem For All Peoples A Biblical Theology of Missions in the Gospels and Acts blends together rich scholarly insights rooted in an unsurpassed knowledge of the first century world with an edifying and pastoral eye that is always focused on the radical nature of Jesus call to follow him in his redemptive mission Successive chapters illuminate the seminal contributions that Matthew Luke John and Paul make to a biblical theology of missions The final chapter rooted in the narrative of Acts appropriately ties together these themes by describing Paul s Macedonian vision as a call for the Church to take the gospel from its place of origin in Asia to the mission field of Europe After almost two millennia Keener reminds us just how relevant this call remains for the growing and vibrant churches of Asia today Robert P Menzies PhD Kunming China This is Craig Keener at his best thoroughly expositional and passionately missional Dave Johnson DMiss Managing Editor Asian Journal of Pentecostal Studies
