Seeing Judaism Anew Christianity's Sacred Obligation:

Seeing Judaism Anew Mary C. Boys, 2005-03-22 In September 2002 twenty one prominent Catholic and Protestant scholars released the groundbreaking document *A Sacred Obligation* which includes ten statements about Jewish Christian dialogue focused around a guiding claim: Revising Christian teaching about Judaism and the Jewish people is a central and indispensable obligation of theology in our time. Following the worldwide reception of their document the authors have expanded their themes into *Seeing Judaism Anew*. The essays in this volume offer a conceptual framework by which Christians can rethink their understanding of the church's relationship to Judaism and show how essential it is that Christians represent Judaism accurately not only as a matter of justice for the Jewish people but also for the integrity of Christian faith. By linking New Testament scholarship to the Shoah, Christian liturgical life and developments in the church, this volume addresses the important questions at the heart of Christian identity such as: Are only Christians saved? Why did Jesus die? Why is Israel so important to Jews and what should we think about the conflict in the Middle East? How is Christianity complicit in the Holocaust? What is important about Jesus being a Jew? *Seeing Judaism Anew* Mary C. What is important about Jesus being a Jew? *Ecclesial Repentance* Jeremy M. Bergen, 2011-01-27 A theological reflection on churches repenting of events and convictions they have held in the past. **Enabling Dialogue about the Land** Cunningham, Philip A., Langer, Ruth, Svartvik, Jesper, 2020 Provides resources for peaceful exchange of viewpoints about the Middle East. Sixteen scholars of the Bible and theology offer here insightful, extensively researched essays to shed light on religious and cultural priorities and promote understanding that can lead to productive dialogue. **Broken Gospel?** Peter M. Waddell, 2023-01-01 The Holocaust lies often unacknowledged near the heart of our contemporary crisis of religious faith. The horrific fruit of two millennia of Christian antisemitism, the slaughter calls into sharp question the moral and intellectual credibility of the Churches and the Christian faith itself. Can Christianity ever recover? In *Broken Gospel* Peter Waddell suggests that it can but

only by facing unflinchingly the history that paved the way for the Nazi genocide and the Churches sins of omission and commission as it took place Engaging with both Christian and Jewish scholarship Waddell also approaches with sensitivity the theological issues that arise from the horror questions of how the claimed holiness of the Church relates to its wickedness of Christian Jewish relations of prayer and providence of heaven and hell and the faint possibility of forgiveness Scholars clergy and general readers alike will be challenged by this exercise in repentance and reconstruction and inspired by the possibility it offers for Christian theology and practice to flourish once more Dictionary of Scripture and Ethics Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse Engaging the Doctrine of Israel Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering s Engaging the Doctrine of Marriage in which he argued that God s purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people s relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism **Reading Romans within Judaism** Mark D. Nanos, 2018-06-28 Over fifty years ago Vatican II s *Nostra Aetate* 4 drew from Romans 11 to challenge the way Paul s voice has been used to negatively discuss Jews and Judaism The church called for Catholics to conceptualize Jews as brothers in an everlasting covenant and many other Christian organizations have expressed similar sentiments in the years since Nevertheless the portrayal of Jews as branches broken off hardened without faith disobedient and enemies of God whom Christians have replaced as true Israel are among the many ways that readers encounter Paul s views of Jews and Judaism in today s translations and interpretations of this chapter and throughout the letter as well In the chapters in this volume Nanos shows why these translations and interpretive decisions among others do not likely represent what Paul wrote or meant Each essay offers challenges to the received view of Paul from the research hypothesis that Paul and the Christ followers to whom

he wrote were still practicing Judaism a Jewish way of life within subgroups of the Jewish synagogue communities of Rome and that they understood Paul to observe Torah and promote Judaism for their communities

Opening the Covenant

Michael S. Kogan, 2008 Michael Kogan delves deeply into the theologies of Christianity and Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters

Jews and Christians Together

Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti-Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish-Christian dialogue and gain a shared and constructive mutual respect

Stepping Stones To Other Religions: A

Christian Theology of Inter-religious Dialogue Dermot A. Lane, **Israel, the Church, and Millenarianism** Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish-Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11:15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ

Nostra Aetate, Non-Christian

Religions, and Interfaith Relations Kail C. Ellis, 2020-10-01 This book explores how Nostra Aetate the Declaration on the Relation of the Church with Non-Christian Religions of the Second Vatican Council can influence inter-religious dialogue and

understanding in the modern world Although influential in religious academic and scholarly circles it is relatively unknown outside these areas The contributors remedy that deficit by highlighting the declaration s difficult historical and social context and the Church s evolving relationship with non Christians Contentious topics are examined such as the link between the Jewish people and the land and state of Israel that questions the Catholic understanding of the relativity of national borders and identity and the challenges posed to the Church s relationship with Islam by its prioritization of human rights and religious freedom for Christians and minorities in certain Muslim regimes Given its scope it is an ideal resource for graduate students and researchers in the fields of political science international relations religion and minority studies

Catholic Doctrines on the Jewish People After Vatican II Gavin D'Costa,2019 This book addresses three controversial and timely questions related to Catholic Jewish dialogue Jewish ritual Catholic Zionism and mission

Dialogue and Terror Alan L. Berger,2012-11-02 This volume addresses the promise and peril of post 9 11 interfaith dialogue In fifteen clearly written and insightful essays distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism Christianity and Islam in the aftermath of the September 11 terror attacks on the United States Acknowledging commonalities these essays also shed light on the essential differences among the teachings of the Abrahamic traditions and raise pivotal questions regarding humanity s future What prompted the carnage What has changed since then What remains to be achieved Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully recognized interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence *A Prophetic, Public Church* Mary Doak,2020-05-28 2021 Association of Catholic Publishers third place award in theology 2021 Catholic Media Association Award second place award in theological and philosophical studies 2021 Catholic Media Association Award second place award in future church Globalization is uniting the world more closely than ever before while at the same time increasing the likelihood of division and conflict Humanity faces problems of an unprecedented scope vast inequality climate change threatening the conditions of life on this planet and a great population migration that includes human trafficking and desperate refugees What does this global plight demand of a church called to be a sign and instrument of the union of all in God In this book Mary Doak shows how the church must rectify its own historic failures to embody the unity in diversity it proclaims especially with regard to women and Jews Only then and through responding to the demands of the current global crises can we learn what it means to be the church that is to be a prophetic witness and public agent of the harmony that God desires and the world deeply needs **Unto Us a Child Is Born** Tyler D. Mayfield,2020-06-09 Whether through a hymn Handel s Messiah or the lectionary reading the book of Isaiah provides a familiar voice for congregations during the season of Advent So how do we create faithful Christian interpretations of Isaiah for today while

respecting the interpretations of our Jewish neighbors Integrating biblical scholarship with pastoral concern Tyler Mayfield invites readers to view Isaiah through two lenses He demonstrates using near vision to see how the Christian liturgical season of Advent shapes readings of Isaiah and using far vision to clarify our relationship to Jews and Judaism showing along the way how near vision and far vision are both required to read Isaiah clearly and responsibly *Doxology Volume 31* Marcell Silva Steurnagel, Mark W. Stamm, Robert F. Solon, Jr., Kerry Greenhill, Heather Josselyn-Cranson, 2020-10-18 Doxology a journal of worship and the sacramental life Volume 31 2020 Founded in 1984 Doxology a journal of worship and the sacramental life is a quarterly peer reviewed journal published by the Order of Saint Luke OSL Publications It focuses on emerging and historical theologies and practices of Christian worship Print distribution is to the members of the Order globally as well as to a number of theology departments and seminary libraries in the United States Doxology also continues the tradition of the journal Sacramental Life which merged with Doxology in 2020 **Encyclopedia of Christian Education** George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education *Righting Relations after the Holocaust and Vatican II* Procario-Foley, Elena G., Cathey, Robert A., 2018 This volume is inspired by the pioneering work of John T M Pawlikowski in social ethics Jewish Christian relations and Holocaust studies and intends to explore the cutting edge of these areas in his honor
