electricity and magnetism experiments from kits mit opencourseware - Dec 07 2022

web introduction these are instructions for six basic experiments in electricity and magnetism that students assemble from  
kits either in a lab a dorm room or at home there are also brief theoretical explanations the level is suitable for

labs physics ii electricity magnetism with an experimental - Jun 01 2022

web labs each partnership of two students will build and use 9 experiments all experiments need to be demonstrated and  
checked off during lab hours experiment related questions will be included on the problem sets in the assignments section as  
well as in each of the 4 quizzes in the exams section early check off of the experiments will be
