*Dream Quest: A Seeker's Guide to Finding the Purpose of Being* Justan Mann, PhD, 2018-03-07 *Dream Quest* reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire's Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night's chill within Madame Leonedria's grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God's door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander's brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose     The Dream Seekers Lee Irwin, 1996-09-01 In *The Dream Seekers* Lee Irwin demonstrates the central importance of visionary dreams as sources of empowerment and innovation in Plains Indian religion Irwin draws on 350 visionary dreams from published and unpublished sources that span 150 years to describe the shared features of cosmology for twenty three groups of Plains Indians This comprehensive work is not a recital but an understandable exploration of the religious world of Plains Indians The different means of acquiring visions that are described include the spontaneous vision experience common among Plains Indian women and means such as stress illness social conflict and mourning used by both men and women to obtain visions Irwin describes the various stages of the structured male vision quest as well as the central issues of unsuccessful or abandoned quests threshold experiences during a vision and the means by which religious empowerment is attained and transferred     **Open Water** Arthur Stringer, 1914     The Hidden Power Luiz Santos, 2024-10-31 *The Hidden Power* Metatron and the Secret Path Within the pages of this book a latent power awakens guided by the enigmatic presence of Metatron a guardian of hidden truths The journey is silent profound and revealing with each teaching drawing the reader toward an ancient path reserved for those seeking something beyond the visible The mysteries of chakras and vital energy are unveiled here not as mere concepts but as portals leading to the essence of the soul itself Through practices of alignment and purification the reader is gently led to a space of inner peace and elevated awareness where each chakra becomes a link with the universe Through meditations and visualizations that transcend time this book calls to those ready to explore the hidden potential of their own energy and attune to the subtle vibrations of existence Spiritual protection and positive manifestation techniques emerge as tools for a life in harmony with the whole where each thought and intention resonates within the universal web *The Hidden Power* offers an invitation not just to read but to experience to find within the quiet of its pages a wisdom that reminds us that the divine pulses in every breath and that true power lies in becoming a pure channel of harmony and light     The Editor; the Journal of Information for Literary Workers , 1909     The Editor , 1909     Our Canadian Literature Albert Durrant
