Finders Seekers Gayle Greeno,1993-05-01 Their technological resources destroyed a colonizing expedition from Earth has been stranded on the world of Methuen for over two hundred years Their continued survival is largely due to the organization of healers known as the Eumedicos and to the Seekers Veritas a unique group composed of pairs of Bondmates one human and one ghatti a telepathic catlike being native to Methuen who bonds with a specific human for life These Bondmates travel from town to town settling disputes by truth reading the minds and emotions of plaintiffs and defendants While most people respect the Seekers there are those who fear the ghatti powers And now someone has begun attacking Seeker pairs What no one knows is that this destroyer has targeted one specific pair of Bondmates as special victims the woman Doyce and the ghatta Khar pern For the key to defeating this deadly foe is locked away in Doyce s mind behind barriers even her ghattas has never been able to break down **SWORD OF A SEEKER** JARED. At Sword's Point, Part 1 William P. MacKinnon,2016-10-27 The Utah War of 1857-58 the unprecedented armed confrontation between Mormon Utah Territory and the U.S. government was the most extensive American military action between the Mexican and Civil wars At Sword's Point presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P. MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war's causes and preliminary events including President Buchanan's decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young's defensive aggressive reactions the onset of armed hostilities and Thomas L. Kane's departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women's voices from both sides enrich this colorful story At Sword's Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and Mormon history
