Seeking the Spirit George Sanders,2002-01-15 What is the meaning of life and spirituality for western peoples in the 21st century This book is an attempt to discover the answer to this big question The book is written in a Socratic dialogue format meaning that the characters are not actual people *O Lord, I Seek Your Countenance: Explorations and Discoveries in Pope Benedict XVI's Theology* Emery de Gaál Gyulai,Fr Emery de Gaal,2018-10-03 Joseph Ratzinger s Pope Benedict XVI s list of accomplishments is unparalleled in modern times in both theological and academic terms He held prestigious teaching positions in Europe s finest universities He played a pivotal role in the deliberations of Vatican II and the formulation of its teachings His theological publications number above fifteen hundred And he served the Catholic Church as its Pontiff for eight years In *O Lord I Seek Your Countenance* Fr Emery de Gaál contends that Ratzinger Benedict is reminiscent of a Church Father in his theological virtuosity But beyond his brilliant intellect Benedict s deep Christ centered spirituality is what gives life and verve to his academic pursuits Through essays that explore Benedict s rich and varied theological thought and achievements from the 1950s through his Jesus of Nazareth trilogy de Gaál apprehends Ratzinger as a theologian with philosophical sensitivity whose insights have shaped and will continue to shape the course of Catholic theology for years to come

Literature And Spirit David Patterson,2021-03-17 If Bakhtin is right Wayne C Booth has said a very great deal of what we western critics have spent our time on is mistaken or trivial or both In *Literature and Spirit* David Patterson proceeds from the premise that Bakhtin is right Exploring Bakhtin s notions of spirit responsibility and dialogue Patterson takes his reader from the narrow arena of literary criticism to the larger realm of human living and human loving True to the spirit of Bakhtin he draws the Russian into a vibrant dialogue with other thinkers including Foucault Berdyaev Gide Lacan Levinas and Heidegger But he does not stop there He engages Bakhtin in his own insightful and unique dialogue meeting the responsibility and taking the risk summoned by dialogue *Literature and Spirit* therefore is not a typically cool and detached exercise in academic curiosity Instead it is a passionate and penetrating endeavor to respond to literature and spirit as the links in life s attachment to life The author demonstrates that in deciding something about literature we decide something about the substance and meaning of our lives Far from being a question of commentary or explication he argues our relation to literature is a matter of spiritual life and death The reader who comes before a literary text encounters the human voice And Patterson enables his reader to hear that voice in all its spiritual dimensions Unique in its questions and in its quest *Literature and Spirit* addresses an audience that goes beyond the ordinary academic categories It appeals not only to students of literature philosophy and religion but to anyone who seeks an understanding of spiritual presence and meaning in life Through his affirmation of what is dear Patterson responds to the needful question And in his response he puts the question to his audience Where are you *Literature and Spirit* thus speaks to those who face the task of answering Here I am
