Seeking God In Story:

Seeking God in Story John Navone, 1990-01 This work is a superb example of how the story genre of the New Testament makes storytellers of us all The author leads us toward a theology of story by which we may seek and find God *Seeking God in Story* John Navone (s.j.), 1990 **Gideon's Fleece: Seeking God's Assurance** Ahmed Musa , 2024-12-13 A reluctant leader A fleece of doubt God's unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon's Fleece Seeking God's Assurance explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In Gideon's Fleece Seeking God's Assurance you will discover The story of Gideon's call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon's request for signs and how God's response was not a sign of weakness but an act of mercy to build Gideon's faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon's story about the importance of seeking God's guidance and trusting in His promises even when we are uncertain about His plans for us Gideon's fleece is more than just a request for confirmation it is a beautiful illustration of God's grace in the midst of human weakness Gideon though uncertain and filled with self doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don't have all the answers How often do you struggle with doubt when God calls you to something big How does Gideon's story encourage you to seek God's assurance and trust in His plans for you Gideon's fleece reminds us that our doubts do not disqualify us from God's calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon's Fleece Seeking God's Assurance and discover how to trust God's guidance even in moments of uncertainty God's assurances are not signs of weakness but of His love care and commitment to His people

Out from under the Table Linda Seabrook,2019-04-15 The longer we live the more we realize that life isn't about white picket fences and rose gardens Life can hand us trials that change the course of our lives and leave us asking where God is in all of it Or the daily struggles can just chip away at us bit by bit leaving us feeling depleted and empty But what if we realized that God calls us to so much more than just despair when we face struggles In some of the most uncertain and even frightening moments of our lives our Father invites us to draw close to Him While our humanness wants us to reject His promises and plans God offers the sweetest of communion in the darkest of times When everything and everyone seems to fail us we can live in the reality that God promises to never leave us or forsake us Out From Under the Table is written for everyone who longs to walk victoriously through the trials of life and see brokenness from God's point of view The God who showed His abiding presence to those in the Old and New Testaments is the same God who walks alongside us today even when the light at the end of the tunnel cannot be seen

Humble Leadership N. Graham Standish,2007-02-26 There comes a point at which leadership can break down precisely because of our success as leaders When confidence turns to pride and arrogance we lose sight of the people that we have been called to serve and become consumed with following our own vision Graham Standish offers a way forward that moves us through this paradox by seeking to humbly follow God's plans rather than our own Humble leadership grounded in the teachings of Jesus means recognizing that what we have and who we are is a gift from God and our lives should reflect our gratitude for this gift It requires us to be radically and creatively open to God's guidance grace and presence in everything When we lead out of such openness God's power and grace flow through us The path Standish proposes is not easy Humble leadership can be personally dangerous exposing our weakness powerlessness fear and anxiety Our cultural need for strength infects Christian leaders with a pride that causes them to ignore biblical teachings on humility But a

humble leader says to God I m yours no matter where you call me to go what you call me to do and how you call me to be I will seek your will and way as I lead others to do the same
