Seeking To Be Christian In Race Relations:

Seeking to be Christian in Race Relations Benjamin Elijah Mays, 1957 Preface Chapter 1 IN the Beginning God Chapter 2 The Uniqueness of Man Chapter 3 Love of God and Love of Man Inseparable Chapter 4 A God Man Centered Religion Chapter 5 Race Prejudice A Wicked Thing Chapter 6 The Church and Race Chapter 7 Beyond Knowledge Chapter 8 Belief in Action Questions for Consideration and discussion Seeking to Be Christian in Race Relations Benjamin Mays, 2023-06 It is probably easier to be Christian in any other area of life than it is in the area of race Here the practice of the Christian religion seems to break down most completely These words of prophetic judgment ground Mays s attempt to set down a Christian basis for the elimination of prejudice and discrimination Reflecting on both the Old and New Testaments Mays reads in the plain sense of scripture a call for us to live together in harmony and justice He also draws from the Universal Declaration of Human Rights to emphasize the broader context of the work **Seeking to be Christian in Race Relations**

Benjamin Elijah Mays, 1964 Author states that his book might well be considered a Christian theological basis for a declaration of human rights *Benjamin Elijah Mays, Schoolmaster of the Movement* Randal Maurice Jelks, 2012-05-15 In this first full length biography of Benjamin Mays 1894 1984 Randal Maurice Jelks chronicles the life of the man Martin Luther King Jr called his spiritual and intellectual father Dean of the Howard University School of Religion president of Morehouse College and mentor to influential black leaders Mays had a profound impact on the education of the leadership of the black church and of a generation of activists policymakers and educators Jelks argues that Mays s ability to connect the message of Christianity with the responsibility to challenge injustice prepared the black church for its pivotal role in the civil rights movement From Mays s humble origins in Epworth South Carolina through his doctoral education his work with institutions such as the National Urban League the NAACP and the national YMCA movement and his significant career in academia Jelks creates a rich portrait of the man the teacher and the scholar Benjamin Elijah Mays Schoolmaster of the Movement is a powerful portrayal of one man s faith thought and mentorship in bringing American apartheid to an end

Racial Relations and the Christian Ideal Sophia Lyon Fahs, 1923 Christianity on Trial Mark L. Chapman, 2006-02-02 Since slavery times African American religious thinkers have struggled to answer this question Is Christianity a source of liberation or a source of oppression In a study that reviews representative thinkers over the last fifty years Mark Chapman reviews the variety of ways that African Americans have addressed this problem and how it has informed their work and lives Beginning with Benjamin Mays the leading Negro theologian of the post World War II period Chapman explores the critical implications of this question right up to the present day The pivotal turning point in this period is the emergence of the Black Power movement in the 1960s Sparked in part by the challenge of the Black Muslims for whom Christianity was simply the white man s religion inherently racist and oppressive the era of Black Power saw the rise of militant Black theologies as well After analyzing the work of the Muslim Elijah Muhammad Chapman turns to the pioneering work of Black theologians Albert

Cleage and James H Cone Chapman demonstrates the differences but also uncovers surprising lines of continuity between the older Negro theologians and the later Black theologians particularly in their efforts to uncover the truly liberative potential of Christianity Christianity on Trial concludes by exploring the recent emergence of womanist theology As articulated by Delores S Williams and other African American women womanist theology challenges not only the patriarchal aspects of historical Christianity but the same limitations in previous Black theologies

Confronting the Color Line Alan B. Anderson, George W. Pickering, 2008-01-01 In Confronting the Color Line Alan Anderson and George Pickering examine the hopes and strategies the frustrations and internal conflicts the hard won successes and bitter disappointments of the civil rights movement in Chicago The scene of a protracted local struggle to force equality in education and open housing for blacks the city also became the focus of national attention in the summer of 1966 as Martin Luther King Jr and the Southern Christian Leadership Conference challenged the entrenched political machine of Mayor Richard J Daley The failure of King's campaign a failure he would not live to redeem marked the final unsuccessful attempt to secure significant social change in Chicago and soon afterward the national civil rights movement itself would unravel amid white backlash and cries of black power Picking up the threads of our own recent history Confronting the Color Line examines a political movement that remains unfinished a dilemma for America's system of democratic social change that remains unsolved
