Seers Blood:

Seer's Blood Doranna Durgin, 2011-01-01 A mountain community under siege rediscovers its lost roots and its magic in the grit of an outcast girl the heart of a stranger and the mystical touch of lost seer's blood A book once honored by Andre Norton in the Gryphon Award When Blaine Kendricks discovers strangers in Shadow Hollers she thinks they've come to trade She couldn't be more wrong When Dacey Childers comes to Shadow Hollers Blaine's family thinks he's there to hunt game They couldn't be more wrong When the Annekteh come to Shadow Hollers they think the isolated community living there has no way to resist their invasion They're pretty much right on target But the last man of the lost seer's blood has returned and is about to draw Blaine into his magic his adventure and the most dangerous hunt she could ever imagine With this book Doranna Durgin displays her customary precision in plot tangled yet plausible with tension that fairly hums from the page setting richly rendered and full of fresh original details that truly delight and characterization thoughtful layered and well able to drive the plot *Seer's Blood* is low fantasy at its very best showing how great events affect people on a small scale Hypatia's Hoard **SEER'S BLOOD** is a fast paced magical adventure Doranna Durgin imbues her characters with heart and soul making the reader care about them in ways that are rare in fiction Alan Meitlowski BookHound Doranna Durgin has been quietly turning out low key but very intriguing fantasy novels of which this is the newest and in many ways the best SF Chronicle The author creates high adventure with a subtle touch of romance here Durgin's writing is full of mountain flavor and her characters both human and canine are strong and clear This is an intense story that should appeal to fantasy fans VOYA On the surface Doranna Durgin's **SEER'S BLOOD** is Blaine's coming of age story in the deep hills of Appalachia but this time of evil and Durgin's exactly right ear for dialect and regionalisms make it so much more Readers will find themselves immersed in a world where self reliance and resilience is brutally interrupted by evil in men's clothing and the return of magic to the lonely hollows The fear and isolation associated with early mountain life is captured in this almost cultural study of Americana with its complex picture of love and loss And the hounds oh my Right along with Blaine I fell in love with the hounds This is a delicious read Cynthia Felice Author of Downtime **The Dark Book Of Shadows - A Grimoire of Sorcery and Dark Witchcraft** S. Blood and the Covenant Pierre Parisien, 2010-11 Blood and the Covenant tells the story of a mindset the conception of a personal covenant between God and man and the insidious consequences of this mindset Author Pierre Parisien examines the history of covenantal belief and looks critically at two of its most troubling aspects appropriation the Promised Land and moral dispensation the belief that if you are doing it for God then it is not a sin but a virtuous act Parisien traces the historical consequences of the contract with God from the campaigns of Joshua in Canaan to the present manifestations of ideological Zionism He argues that the course of history has been in great part a consequence of the original Covenant and he charts the regrettable lineage of atrocities committed under the auspices of covenant fulfillment including the conquest of Canaan to the hegemony of Rome the rape of Northern India by the Muslim Sultans the Crusades European colonialism which considered the entire planet as the Promised Land Manifest Destiny and ideological Zionism Wars crimes against humanity and genocide have too often been the aftermath of the Covenant Will this woeful progression ever come to an end
