Delva, Joan Campbell-Delva, 2012 A Happy and Informative Present at the new Universit de Sherbrooke Pierre had developed a four month teaching program for clinical nurses prior to their departure to the Canadian Far North where they would be in charge of a Nursing Station In 1973 a group of them gave me as a parting gift the French translation of *The Scalpel and the Sword* by Ted Allen and Sydney Gordon Toronto 1952 the French version was by Jean Pare Docteur Bethune Montreal 1973 As new Canadians we thought it odd that the French version should take 20 years to appear on the scene We had been in Canada for 15 years In 1975 Pierre s career led him to 1 hospital du Sacre Coeur where Dr Bethune worked for over three years 1933 1936 his first experience in a non English environment before going to Spain and China where he died in 1939 He became my last model During the last seven years of his life Dr Bethune was able to adapt in a masterful way to three completely different important complex situations on three different continents January 1936 November 1939 On the social side Joan became secretary of the Montreal based Norman Bethune Foundation A year later Pierre became its fourth Chairman eventually becoming responsible for a professional exchange program between Montreal and China working most of the time at the Bethune International Peace Hospital in Shijiazhuang Hebei Province 1989 1994 Joan was responsible for a TESL program Pierre for a medical teaching program Note Joan is the note taker keeping a daily agenda since 1960 without interruptions Pierre took lots of pictures and accumulated written stuff all classified and in sequence in about fifty tightly packed binders **Sweatshop Strife** Ruth A. Frager, 1992-01-01 In the first half of the twentieth century many of Toronto s immigrant Jews eked out a living in the needle trade sweatshops of Spadina Avenue In response to their exploitation on the shop floor immigrant Jewish garment workers built one of the most advanced sections of the Canadian and American labour movements Much more than a collective bargaining agency Toronto s Jewish labour movement had a distinctly socialist orientation and grew out of a vibrant Jewish working class culture Ruth Frager examines the development of this unique movement its sources of strength and its limitations focusing particularly on the complex interplay of class ethnic and gender interests and identities in the history of the movement She examines the relationships between Jewish workers and Jewish manufacturers as well as relations

between Jewish and non Jewish workers and male and female workers in the city s clothing industry In its prime Toronto s Jewish labour movement struggled not only to improve hard sweatshop condistions but also to bring about a fundamental socialist transformation It was an uphill battle Drastic economic downturns hard employer offensives and state repressions all worked against unionists workplace demands Ethnic gender and ideological divisions weakened the movement and were manipulated by employers and their allies Drawing on her knowledge of Yiddish Frager has been able to gain access to original records that shed new light on an important chapter in Canadian ethnic labour and women s history **Canadian Books in Print** ,1992 **Contemporary Approaches to Canadian History** Carl Berger,1987 *International Books in Print* ,1991 **America, History and Life** ,1982 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide Establishing Our Boundaries Anton Wagner,2010-01-01 An impressive collection of essays by 21 of English Canada s leading theatre critics provides a cultural history of Canada and Canadians intense relationship to theatre from 1829 to 1998 and across the whole country *The Gallant Cause* Mark Zuehlke,2010-03-02 At the outbreak of the Spanish Civil War on July 17 1936 forty two thousand Internationals comprised of Canadians Americans and Spaniards fought together on the side of the Republicans who were trying to throw back fascist dictator General Franco s troops which included countless German and Italian soldiers By October 29 1938 though only two thousand Internationals were able to gather for a speech requesting them to withdraw Despite all their efforts Spain wanted to continue on its own hoping the war would become a Spanish affair once again Drawing on diaries and newly documented sources Zuehlke offers a compelling account of the Canadian experience in Spain It was not a popular war for Canada with even the prime minister praising Hitler for his social and economic advances Most world powers were aligning themselves with Italy and Germany who supported Franco s movement Along with allied troops some 1 500 Canadians joined together in a valiant but doomed cause This is the story of these brave Canadians who like all veterans of war deserve to have their story told and their experiences related so that they will not be forgotten Canadiana ,1977 **The Russian Revolution and Its Global Impact** Jonathan Daly,Leonid Trofimov,2017-09-01 On the centenary of the Russian Revolution Jonathan Daly and Leonid Trofimov have reinvigorated the study of a turning point in world history Instead of rehashing the internal dynamics of the Bolshevik takeover the authors have carefully juxtaposed the international ambitions of the Bolsheviks with the Revolution s reception around the world Daly and Trofimov pair their lucid introductory essay with documents from Soviet officials intellectuals in South America W E B Du Bois in the United States and others so readers will quickly realize how revolutionary ideas cross oceans and transcend geopolitical boundaries This volume thus takes a topic once reserved for students of Russian history and places it in a world historical perspective those interested in global history European history and of course those fascinated by events in Petrograd and Moscow will find ample sources of inspiration in this text As the Russian Federation is now exerting its influence on a global scale the time is
