The AALS Directory of Law Teachers ,2005 **Law Books Published** ,2002 **Selected Environmental Law Statutes** United States,2008 *Case Studies in the Economics of Domestic Water Quality* Jay P. Shimshack,2002

Nature's Trust Mary Christina Wood,2013-09-30 Environmental law has failed us all As ecosystems collapse across the globe and the climate crisis intensifies environmental agencies worldwide use their authority to permit the very harm that they are supposed to prevent Growing numbers of citizens now realize they must act before it is too late This book exposes what is wrong with environmental law and offers transformational change based on the public trust doctrine An ancient and enduring principle the trust doctrine asserts public property rights to crucial resources Its core logic compels government as trustee to protect natural inheritance such as air and water for all humanity Propelled by populist impulses and democratic imperatives the public trust surfaces at epic times in history as a manifest human right But until now it has lacked the precision necessary for citizens government employees legislators and judges to fully safeguard the natural resources we rely on for survival and prosperity The Nature s Trust approach empowers citizens worldwide to protect their inalienable ecological rights for generations to come *Selected Environmental Law Statutes* West Group Publishing,West Publishing Company,1999-12 *Selected Environmental Law Statutes* United States,2011 This work contains the statutes one may confront in a law school environmental law course Topics covered include public health agriculture commerce mineral lands and navigable waters *Volatile Places* Valerie Gunter,Steve Kroll-Smith,2006-11-22 *Volatile Places* A Sociology of Communities and Environmental Controversies is a thoughtful guide to the spirited public controversies that inevitably occur when environments and human communities collide The movie *An Inconvenient Truth* based on the environmental activism of Al Gore and the devastation of Hurricane Katrina are specifically highlighted Authors Valerie Gunter and Steve Kroll Smith begin with a simple observation and offer a provocative case study approach to the investigation of community and environmental controversies **Legal Information Buyer's Guide and Reference Manual** Kendall F. Svengalis,Rhode Island LawPress,2008 *An Introduction to Sustainable Development* Peter P. Rogers,Kazi F. Jalal,John A. Boyd,2012 This volume is the most comprehensive textbook on sustainable development It has been developed with students and professionals from around the world specifically for those who need a thorough grounding in the subject Coverage includes background to sustainable development and global environmental issues measurement and sustainability indicators environmental assessment management and policy approaches and linkages to poverty reduction impacts and infrastructure development economics consumption production and market failures governance participation disaster management international financial institutions international environmental agreements and the role of civil society *Encyclopedia of Health Services Research* Ross M. Mullner,2009-05-20 Within two volumes more than 400 signed entries and their associated bibliographies and recommended readings authoritatively cover issues in both the historical and contemporary context of

health services research Monthly Catalog of United States Government Publications ,2004 **Obscurity and Clarity in the Law** Sophie Cacciaguidi-Fahy,2016-12-05 This book explores the intricate and multi dimensional conception of clarity and obscurity in the law It presents and examines the most recent research and theories giving practical guidance on how to avoid obscurity in legal drafting and its impact on legal interpretation The book is aimed at a multidisciplinary audience and seeks to promote an interdisciplinary debate on clarity law and language calling for the moving of clarity beyond the study of plain language The aims of the book are thus two fold The first is to critically reach a nexus between the disciplines of law and language with respect to the debates on clarity in legal discourse The second is to achieve an international perspective on the issue drawing from a wide range of legal and political contexts **Prometheus Reimagined** Albert C. Lin,2023-11-29 A call for a more thoughtful and democratic approach to technology policy and regulation **British Government and the Constitution** Colin Turpin,Adam Tomkins,2007-06-28 The first five editions of this well established book were written by Colin Turpin This new edition has been prepared jointly by Colin Turpin and Adam Tomkins This edition sees a major restructuring of the material as well as a complete updating New developments such as the Constitutional Reform Act 2005 and recent case law concerning the sovereignty of Parliament the Human Rights Act counter terrorism and protests against the Iraq War among other matters are extracted and analysed While it includes extensive material and commentary on contemporary constitutional reform Turpin and Tomkins is a book that covers the historical traditions and the continuity of the British constitution as well as the current tide of change All the chapters contain detailed suggestions for further reading Designed principally for law students the book includes substantial extracts from parliamentary and other political sources as well as from legislation and case law As such it is essential reading also for politics and government students Much of the material has been reworked and with its fresh design the book provides a detailed yet accessible account of the British constitution at a fascinating moment in its ongoing development *Federal Register* ,2008-05-13

Current Law Index ,2007 **Madagascar** International Monetary Fund,2003-01-09 This paper examines Madagascar s 2002 Article IV Consultation Second Review Under the Poverty Reduction and Growth Facility PRGF and Requests for Extension of Arrangement Madagascar s performance under the PRGF supported program in 2001 was strong with the exception of weak revenue collection an issue that the new government has begun to address The budget for 2003 is consistent with the macroeconomic constraints and places an appropriate emphasis on revenue mobilization and on wage restraint Administrative procedures need to be streamlined to ensure faster expenditure commitment and execution of donor funded projects International Intellectual Property Law and Human Security Robin Ramcharan,2012-11-27 This book examines how intellectual property rights IPR affect the daily lives of individuals worldwide and how that may in turn impact the health and wealth of nations While the protection of the intellectual endeavours of authors and inventors is vital for a fair and just society it is important that the IPR regime remains flexible enough to encourage creativity innovation and the free

flow of information and technology that are critical to the well being of billions of people especially in the developing world This work examines the implications of the IPR regime for basic human security It examines the relationship between IPR regime and fundamental human rights such as the right to education health and food and the broader right to development This book will be of interest to IP scholars international relations specialists and international security analysts in particular those interested in non traditional security issues It may also serve as resource book for the international business community on developmental and human rights aspects of IP American Reference Books Annual Bohdan S.
