Serving The Nation Cultures Of Service Association Citizenship:

Serving the Nation Carey Anthony Watt, 2005 This title examines the social and political impact of philanthropical work carried out in the early 1900s by Hindu organisations in North India It charts the emergence of a culture of service challenging concepts of the Indian nation state and its relationship to civil society *Citizen Refugee* Udit Sen, 2018-08-30 This innovative study explores the interface between nation building and refugee rehabilitation in post partition India Relying on archival records and oral histories Udit Sen analyses official policy towards Hindu refugees from eastern Pakistan to reveal a pan Indian governmentality of rehabilitation This governmentality emerged in the Andaman Islands where Bengali refugees were recast as pioneering settlers Not all refugees however were willing or able to live up to this top down vision of productive citizenship Their reminiscences reveal divergent negotiations of rehabilitation from below Educated refugees from dominant castes mobilised their social and cultural capital to build urban squatters colonies while poor Dalit refugees had to perform the role of agricultural pioneers to access aid Policies of rehabilitation marginalised single and widowed women by treating them as permanent liabilities These rich case studies dramatically expand our understanding of popular politics and everyday citizenship in post partition India **Cricket Country** Prashant Kidambi, 2019 The extraordinary story of the first All India national cricket tour of Great Britain and Ireland and how the idea of India as a nation took shape on the cricket pitch *The Making of Indian Secularism* N. Chatterjee, 2011-01-26 A unique study of how a deeply religious country like India acquired the laws and policies of a secular state highlighting the contradictory effects of British imperial policies the complex role played by Indian Christians and how this highly divided community shaped its own identity and debated that of their new nation *Decolonizing International Health* S. Amrith, 2006-10-10 This book offers a history of international public health spanning the colonial and post colonial eras The volume focuses on India and the transnational networks connecting developments in India with Southeast Asia and the wider world and contributes to debates on nationalism internationalism and science in an age of decolonization **The Oxford Handbook of Cities in World History** Peter Clark, 2013-02-14 In 2008 for the first time the majority of the planet s inhabitants lived in cities and towns Becoming globally urban has been one of mankind s greatest collective achievements over time and raises many questions How did global city systems evolve and interact in the past How have historic urban patterns impacted on those of the contemporary world And what were the key drivers in the roller coaster of urban change over the millennia market forces such as trade and industry rulers and governments competition and collaboration between cities or the urban environment and demographic forces This pioneering comparative work by leading scholars drawn from a range of disciplines offers the first detailed comparative study of urban development from ancient times to the present day The Oxford Handbook of Cities in World History explores not only the main trends in the growth of cities and towns across the world in Asia and the Middle East Europe Africa and the Americas and the different types of cities from great metropolitan centres to suburbs colonial cities and market towns but

also many of the essential themes in the making and remaking of the urban world the role of power economic development migration social inequality environmental challenge and the urban response religion and representation cinema and urban creativity Split into three parts covering Ancient cities the medieval and early modern period and the modern and contemporary era it begins with an introduction by the editor identifying the importance and challenges of research on cities in world history as well as the crucial outlines of urban development since the earliest cities in ancient Mesopotamia to the present

Ismailism and Islam in Modern South Asia Soumen Mukherjee, 2017-02-07 This book explores the evolution of a Shia Ismaili identity in late colonial South Asia

Participopolis Karen Coelho, Lalitha Kamath, M. Vijayabaskar, 2020-11-29 While participatory development has gained significance in urban planning and policy it has been explored largely from the perspective of its prescriptive implementation This book breaks new ground in critically examining the intended and unintended effects of the deployment of citizen participation and public consultation in neoliberal urban governance by the Indian state The book reveals how emerging formats of participation as mandatory components of infrastructure projects public private partnership proposals and national urban governance policy frameworks have embedded market oriented reforms promoted financialisation of cities refashioned urban citizenship privileged certain classes in urban governance at the expense of already marginalised ones and thereby deepened the fragmentation of urban polities It also shows how such deployments are rooted in the larger political economy of neoliberal reforms and ascendance of global finance and how resultant exclusions and fractures in the urban society provoke insurgent mobilisations and subversions Offering a dialogue between scholars policy makers and activists and drawing upon several case studies of urban development projects across sectors and cities this volume will be useful for planners policy makers academics development professionals social workers and activists as well as those in urban studies urban policy planning political science sociology and development studies

Ayurveda Made Modern R. Berger, 2013-09-16 This book explores the ways in which Ayurveda the oldest medical tradition of the Indian subcontinent was transformed from a composite of ancient medical knowledge into a modern medical system suited to the demands posed by apparatuses of health developed in late colonial India

Rethinking Popular Representation O. Törnquist, N. Webster, K. Stokke, 2009-12-21 This book starts out from the deep concern with contemporary tendencies towards depoliticisation of public issues and popular interests and makes a case for rethinking more democratic popular representation It outlines a framework for popular representation examines key issues and experiences and provides a policy oriented conclusion
