Serving The People Of God:

Serving the People of God's Presence Terry L. Cross, 2020-10-27 Leading theologian Terry Cross articulates the doctrine of the church's ministry from a Pentecostal perspective demonstrating how Pentecostals can contribute to and learn from the church catholic This companion volume to Cross's previous book *The People of God's Presence* proposes a radical revision of the structural framework of the local church within the often overlooked corporate priesthood of all believers Cross explores principles for leadership and ministry from the New Testament and the early church helping all believers to do the work of ministry

Serving the People of God James Innell Packer, 1998 This book examines the past and present of the English parish system and proposes a new way of structuring the church in England rooted in the Anglo Saxon world The English parish is in a state of crisis Ideally suited to the static agricultural hierarchical society in which it developed it has become a severe impediment to the Church's work today It needs to change In this fascinating and insightful book Nick Spencer explores the parish's past present and future He shows that rather than being synonymous with English Christianity the parish was a comparatively late arrival on the scene and one whose main roots were economic and social rather than ecclesiastical He goes on to explain why the parish is now singularly inappropriate for modern ministry before proposing a genuine alternative based on the system of Anglo Saxon minster churches out of which parishes grew
