**Set Your Voice Free** Roger Love (Voice coach), 1999      **Summary of Roger Love & Donna Frazier's Set Your Voice Free** Everest Media, 2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Your voice is an intimate part of you It s a breath of air that travels through your body taking on the colors of your thoughts and emotions and when it re emerges it s filled with your essence 2 I have spent more than three decades developing specific techniques for enriching every voice and helping speakers and singers solve the problems both common and rare that stand between them and the voices they were born to have 3 I have found that by using singing exercises to help people improve the way they speak I can make bigger leaps than a speech therapist would Because singing helps you bypass the logical skeptical left side of the brain you can tap into the creative playful right side of the brain and believe you can fly 4 The best kind of success is not about being the best but about being unique It s about expressing who you are and what s particularly special about you If you learn to use your own instrument with confidence people will open their ears to you and recognize what sets you apart from everyone else
