Setting Municipal Priorities, 1983
Brecher, 1984-12-01 *All the Nations Under Heaven* Frederick M. Binder, David M. Reimers, 1995 In *All the Nations Under Heaven* Frederick Binder and David Reimers trace the shifting tides of New York's ethnic past from its beginnings as a Dutch trading outpost to the present age where Third World immigration has given the population a truly global character *All the Nations Under Heaven* explores the processes of cultural adaptation to life in New York giving a lively account of immigrants new and old and of the streets and neighborhoods they claimed and transformed *All the Nations Under Heaven* provides a comprehensive look at the unique cultural identities that have wrought changes on the city over nearly four centuries since Europeans first landed on the Atlantic shore While detailing the various efforts to retain a cultural heritage the book also looks at how ethnic and racial groups have interacted and clashed over the years From the influx of Irish and Germans in the nineteenth century to the recent arrival of Caribbean and Asian ethnic groups in large numbers *All the Nations Under Heaven* explores the social cultural political and economic lives of immigrants as they sought to form their own communities and struggled to define their identities within the growing heterogeneity of New York

Regenerating the Cities Michael Parkinson, Bernard Foley, Dennis R. Judd, 1988 **Power Failure** Charles Brecher, Raymond D. Horton, 1993-04-08 New York City's municipal government is the largest and most complex in the nation perhaps in the world Its annual operating budget is now a staggering 29 billion a year plus it has a capital budget of 4 billion more The city and its various agencies employ approximately 360 000 full time workers The Office of the Mayor alone employs some 1 600 people and spends some 135 million And the Police Department boasts a small army of over 25 000 officers with a budget of 1 5 billion Anyone wanting to make sense of an organization this vast needs an excellent guide In *Power Failure* Charles Brecher and Raymond Horton provide a complete guidebook to the political workings of New York City Ranging from 1960 to the present the authors explore in depth the political machinery behind City Hall from electoral politics to budgetary policy to the delivery of city services They examine the operation of the Office of the Mayor and the City Council covering everything from the number of members and their annual salaries Council Members receive 55 000 per year the Council President 105 000 to the mayoral races of John V Lindsay Abraham Beame and Edward I Koch Much of this encyclopedic work focuses on New York's ever present financial woes including the financial crisis of the mid 1970s when the City had an unaudited deficit of over a billion dollars and the public credit markets closed their doors They examine the repeated failure of collective bargaining to set wage policy before the annual operating budget is set which undermines the integrity of the budgetary process and they look

at the main source of revenue the property tax homeowners pay 84 cents per hundred dollars of market value commercial property owners pay 4 31 a politically motivated imbalance which the authors find economically harmful and grossly unfair to renters and businesses Finally they examine service delivery and discover not surprisingly that the highest local taxes in the nation are not spent efficiently The authors offer detailed looks at the uniformed services police fire sanitation corrections the Department of Parks and Recreation and the Health and Hospitals Corporation which operates the country s largest municipal hospital system revealing which departments are run well and which are not For New York City residents this is an essential volume for understanding City Hall Indeed anyone baffled by big city government whether you live in New York or in any major metropolis will find in this volume a wealth of information on how to run a city well and how to run it into the ground

Political Crisis/fiscal Crisis Martin Shefter,1992 This study examines the factors that caused New York City s financial crisis in 1975 and demonstrates how these manifestations of newly evolved political alliances and systems continue to undermine the city s financial stability It shows how these problems which are enduring features of the city s political system are not unique to New York but a threat to the financial stability of most major American cities The volume won the American Political Science Association s Award for the Best Book on Urban Policy

Handbook of Strategic Management, Second Edition, Jack Rabin,Gerald J. Miller,2000-05-16 Revised and updated for the second edition the Handbook of Strategic Management provides a set of broad based bibliographic essays on strategic management It covers synoptic approaches complexity theory organizational capacity financing strategy networks and chaos theory and offers an in depth look the use of strategic management in the private public and nonprofit sectors The National Institute of Personnel Management called this book the most comprehensive single source treatment of strategic management New topics discuss the role of strategic management in political decision making uncertainty the absence of strategy productivity teamwork leadership and change

New York, New York, New York Thomas Dyja,2022-03-15 A lively immersive history by an award winning urbanist of New York City s transformation and the lessons it offers for the city s future

Atop the Urban Hierarchy Robert A. Beauregard,1989 This volume contains a wealth of information and insights on contemporary patterns of urban economic growth and spatial transformations
