Victorian Narratives of Failed Emigration Tamara S Wagner, 2016-05-26 In her study of the unsuccessful nineteenth century emigrant Tamara S Wagner argues that failed emigration and return drive nineteenth century writing in English in unexpected culturally revealing ways Wagner highlights the hitherto unexplored subgenre of anti emigration writing that emerged as an important counter current to a pervasive emigration propaganda machine that was pressing popular fiction into its service The exportation of characters at the end of a novel indisputably formed a convenient narrative solution that at once mirrored and exaggerated public policies about so called superfluous or redundant parts of society Yet the very convenience of such pat endings was increasingly called into question New starts overseas might not be so easily realizable emigration destinations failed to live up to the inflated promises of pro emigration rhetoric the unwanted might make a surprising reappearance Wagner juxtaposes representations of emigration in the works of Charles Dickens Wilkie Collins Frances Trollope and Charlotte Yonge with Australian New Zealand and Canadian settler fiction by Elizabeth Murray Clara Cheeseman and Susanna Moodie offering a new literary history not just of nineteenth century migration but also of transoceanic exchanges and genre formation

Guy, 2017-10-23 The late nineteenth century fin de si cle has proved an enduringly fascinating moment in literary and cultural history It is associated with the emergence of intriguing figures such as the new woman and uranian with contradictory impulses of decadence and decay on the one hand and of experiment and renewal on the other as well as with unprecedented intercultural exchange especially between Britain and France The 22 newly commissioned essays collected here re examine some of the key concepts taken to define the fin de si cle while also introducing hitherto overlooked cultural phenomena into the frame such as the importance of humanitarianism The impact of recent research in material culture is explored particularly how the history of the book and the history of performance culture is changing our understanding of this period A wide range of cultural activities is discussed from participation in avant garde theatre to interior decoration and from the writing of poetry to political and religious activism Together the essays provide new scholarly insights into British fin de si cle and enrich our understanding of this complex period while paying particular attention to the importance of regionalism

Ecospectrality Laura A. White, 2020-05-14 Along with humans and animals ghosts populate the pages of contemporary Anglophone novels Analysing novels from across the world including Australia Nigeria South Africa India and Jamaica this book explores how these ghosts
