**The Gnostic Bible: The Pistis Sophia Unveiled** Samael Aun Weor, 2025-02-01 The words of Jesus unedited and clearly explained It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them The Pistis Sophia The Apostles wrote down what Jesus taught them during those eleven years resulting in The Pistis Sophia the most important Gnostic scripture This edition includes an extensive commentary by Samael Aun Weor The Pistis Sophia is a sophisticated and deeply mystical teaching given by Jesus about the suffering of Sophia as she attempts to ascend to the highest spiritual truth This scripture is remarkable for its profound mysticism its clear rebuke of unethical behavior and its perspective on the spiritual role of women Having read this text it becomes very clear why the established religious powers attempted to

obliterate the Gnostics but failed Study of this teaching also inspires a re evaluation of how the Christian Gospels have been interpreted for centuries Most importantly the teachings presented here provide a remarkable insight into the true requirements for genuine spiritual development About this scripture the commentary author Samael Aun Weor said The Hebrew Bible clearly connotes the Word of the Eternal One However we the Gnostics also have our very special Bible I want to emphatically declare that this is The Pistis Sophia whose original is in Coptic It was found underground in Egypt the land of the Pharaohs The Pistis Sophia contains all the words of the adorable Savior of the world It was written by the Apostles Thus all the Esoteric Christic instructions that Jesus Christ gave to his disciples on the Mount of the Olives and other holy places is written within this book This book had been conserved in secret for many centuries In this book the Adorable One left an extraordinary formidable body of doctrine The Pistis Sophia Unveiled is a message for all humankind in every corner of the world *Parsifal Unveiled* Samael Aun Weor,2025-01-01 When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal the epic final work by Richard Wagner stunned audiences revolutionized theater and music and set the stage for the decline of modern civilization For more than one hundred years Parsifal has been one of the most controversial dramatic works in the world not only moving the world s top composers and writers to tears and inspiring generations of creative geniuses but it was also admired by Adolf Hitler Wagner s retelling of the myth of the Holy Grail and the knights who protect it showed the secret path to liberation from suffering but no one understood it Wagner himself never explained Parsifal and in his wake thousands of writers critics and artists have attempted to penetrate its mysteries yet have failed since they were not initiated into the secret tradition it came from Finally in this book by Samael Aun Weor the meaning of Parsifal is fully revealed and the genius and spiritual accomplishments of Richard Wagner are made radiantly clear It is evident by all means and with complete meridian clarity that Wagner was a great initiate an insightful esotericist an authentic Illuminated One Science philosophy art and religion exist within Wagner s Parsifal A new Dr Faust was endowed in this great musician It seems that he had scrutinized very ancient religious scriptures To penetrate within this archaic occultism to delve within the Christic Mysteries to examine the esoteric Buddhism contained within this Wagnerian gospel is precisely what we attempt in this book The year 1914 will always be a memorable date among the remarkable dates of this humanity because of the explosion of the First World War and the simultaneous debut of Parsifal in all the civilized world Mormonism Unveiled John Doyle Lee,1891 **Spirits of the Lesser Gods** Rhonda McClenton,2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in

counseling centers hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences

**Los 7 cuerpos desvelados** F. Newhouse, 2002-04-04 Uno de los conceptos básicos de la enseñanza esotérica revela que el ser humano está compuesto de siete cuerpos diferentes Cuerpo físico etérico astral mental cuerpo de la luz o alma espiritual y Maná o llama divina En esta obra se ofrece una visión completa y detallada de este importante tema de estudio y muestra las características estructura funciones y la relación entre cada uno de estos cuerpos cuyo conjunto determina lo que es en realidad un ser humano Un libro que permite comprender muchos de los conceptos relativos a la mente las emociones o la espiritualidad del individuo desde una perspectiva distinta basada en las mismas raíces del esoterismo místico

The Time of Christ's Return Revealed - Revised Edition Charles P. Pierce, 2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ's return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images
