Christians in the Movies Peter E. Dans, 2009-05-16 Christians in the Movies traces the arc of the portrayal in film of Christians from 1905 to the present For most of the first six decades the portrayals were favorable and even reverential By contrast from 1970 on Christians have often been treated with hostility and often outright ridicule This book explores this shift through in depth reviews and commentaries on 100 important films as well as briefer discussions of about 75 additional Christian themed films Peter E Dans examines various causative factors for this change such as the abolition of the Hays Motion Picture Production Code the demise of the Catholic Legion of Decency and the associated profound societal and cultural changes From a look at the real story behind the Scopes trial to portraits of actors directors and writers most prominently associated with films involving Christians and Christianity Christians in the Movies provides a great resource for those who wish to select films for showing at churches universities or for personal viewing and critical examination of the recent cultural movements and thought

Zionism and Judaism David Novak, 2015-03-09 Why should anyone be a Zionist a supporter of a Jewish state in the land of Israel Why should there be a Jewish state in the land of Israel This book seeks to provide a philosophical answer to these questions Although a Zionist need not be Jewish nonetheless this book argues that Zionism is only a coherent political stance when it is intelligently rooted in Judaism especially in the classical Jewish doctrine of God s election of the people of Israel and the commandment to them to settle the land of Israel The religious Zionism advocated here is contrasted with secular versions of Zionism that take Zionism to be a replacement of Judaism It is also contrasted with versions of religious Zionism that ascribe messianic significance to the State of Israel or which see the main task of religious Zionism to be the establishment of an Israeli theocracy

God-Talk David Novak, 2024-01-26 David Novak one of the most distinguished Jewish theologians in the world offers a new interpretation of how the Jewish people and the

Jewish tradition talk about God What does the Torah say about God How does the God of the Torah talk about Godself And how does the God of the Torah talk about human beings The book traces the history and theology of God talk in Judaism and how it remains relevant now more than ever and speaks directly to contemporary issues such as human rights
