## **Ghost Tales - Learn Chinese Mythology, Culture, Traditional Folktales - Bilingual Horror Stories in Chinese and English**

AL Language Cafe, 2024-06-18 Unlock the mystical world of ancient China's ghostly folklore with our new adaptations of classic Chinese literary works. Immerse yourself in the supernatural realm while honing your Chinese skills and uncovering centuries-old mythology traditions and beliefs. In this collection, we have carefully curated 15 intriguing ghost or supernatural stories presented in both Chinese and English. These stories are new adaptations of selected tales from renowned literary works in China, including *Strange Tales from a Chinese Studio*, *Miscellaneous Morsels from Youyang*, *Anecdotes About Spirits and Immortals*, and more. We adapt these stories for a couple of reasons. First, classic Chinese literature is often written in a style that differs significantly from modern Chinese, posing challenges for contemporary readers. Second, some of these works serve not merely as entertainment but as records of extraordinary events and folklore, employing straightforward language without elaborate storytelling. Our new adaptations preserve the original plots while presenting them in modern standard Mandarin with a more engaging narrative. This approach allows readers to enjoy the stories while learning common and useful vocabulary and expressions. The 15 stories are: 1. The Ghost Pressing Down on the Bed, 2. The Ghost with Painted Skin, 3. The Headless Ghost, 4. Hanba the Drought Demon, 5. The Lonely Wandering Soul, 6. The Vengeful Spirit, 7. Zhong Kui Kills Ghosts, 8. The Fox Spirit, 9. The Tree Demon, 10. The Water Demon, 11. Soul Snatching, 12. Underworld Official, 13. Deceased Son Visits in Dream, 14. Body Possession, 15. Reincarnation. Furthermore, we provide bilingual explanations of key terms at the end of each story. This helps our readers understand the story better, enrich their reading experience, and further explore Chinese mythology, beliefs, and culture. Upon finishing the book, readers will have gained a fundamental grasp of the Chinese perspective on spirits and ghosts. This knowledge not only enhances their appreciation of Chinese cinema and literature but also offers insights into Chinese culture.

**Translating, Interpreting, and Decolonizing Chinese Fairy Tales** Juwen Zhang, 2024-10-15 Through meticulous textual and contextual analysis of the sixteenth-century Chinese tale *The Seven Brothers* and its fifteen contemporary variants, Juwen Zhang unveils the ways in which the translation and illustration of folk and fairy tales can perpetuate racist stereotypes. By critically examining the conscious and unconscious ideological biases harbored by translators, adapters, and illustrators, the author calls for a paradigm shift in translation practices grounded in decolonization and anti-racism to ensure respectful and inclusive representation of diverse cultures. *Translating, Interpreting, and Decolonizing Chinese Fairy Tales* not only offers insights for translators, researchers, and educators seeking to leverage folktales and picture books for effective children's education and entertainment, but also

challenges our preconceived notions of translated and adapted folk and fairy tales      **The Essential Guide to Children's Books and Their Creators** , Upon publication Anita Silvey s comprehensive survey of contemporary children s literature Children s Books and Their Creators garnered unanimous praise from librarians educators and specialists interested in the world of writing for children Now The Essential Guide to Children s Books and Their Creators assembles the best of that volume in one handy affordable reference geared specifically to parents educators and students This new volume introduces readers to the wealth of children s literature by focusing on the essentials the best books for children the ones that inform impress and most important excite young readers Updated to include newcomers such as J K Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends this edition features more than 475 entries on the best loved children s authors and illustrators numerous essays on social and historical issues thirty personal glimpses into craft by well known writers illustrators and critics and invaluable reading lists by category The Essential Guide to Children s Books and Their Creators summarizes the canon of contemporary children s literature in a practical guide essential for anyone choosing a book for or working with children      **Perspectives on Teaching and Learning Chinese Literacy in China**
