The Seven Son & Seven Daughters Vernon Thomas, 2022-08-01 During a time when young men have a hard time grasping what it means to sacrifice and take care of the family and young ladies have forgotten the art of what it means to take care of a household raising children and instilling morals and values in them The Seven Sons and Seven Daughters is a heartwarming tribute that gives the depiction of a strong black woman who loved hard and allowed it to show in her everyday life It is an epic tale of struggles of an ex alcoholic father who through the grace of God was able to lay down the bottle and pick up salvation and a new determination on life It is the story of strength adversity spirituality and growth laced with the pain and tragedy of death and life after death The Seven Sons and Seven Daughters is a gentle reminder of the days when blacks had little to no rights with little to no resources to do much to better self and how a little Mississippi family found the strength to overcome every obstacle that was placed before them In a day and age where technology has taken over the world where children would rather stay in the house and play video games than to play in the park or play a good game of tag or freeze football During an era where little girls don't see the joy in playing with Barbie's or playing dress up in their mother's old clothes

Maithil Women's Tales Coralynn V. Davis, 2014-06-30 Constrained by traditions restricting their movements and speech the Maithil women of Nepal and India have long explored individual and collective life experiences by sharing stories with one another Sometimes fantastical sometimes including a kind of magical realism these tales allow women to build community through a deeply personal and always evolving storytelling form In *Maithil Women's Tales* Coralynn V Davis examines how these storytellers weave together their own life experiences the hardships and the pleasures with age old themes In so doing Davis demonstrates they harness folk traditions to grapple personally as well as collectively with social values behavioral mores relationships and cosmological questions Each chapter includes stories and excerpts that reveal Maithil women s gift for rich language layered plots and stunning allegory In addition Davis provides ethnographic and personal information that reveal the complexity of women s own lives and includes works painted by Maithil storytellers to illustrate their tales The result is a fascinating study of being and becoming that will resonate for readers in women s and Hindu studies folklore and anthropology
