Department of Supervisors and Directors of Instruction,1939 **Rise Up, O Men of God** L. Dean Allen,2002 L Dean Allen analyzes both groups constructions of masculinity and social ethics in relation to the family the church and a prominent social issue Evangelical Christian leaders designed both organizations in response to their alarm at men's absence from

evangelical churches and they sought to increase men's participation in churches and to improve society as a whole by their efforts. Each group faced important social changes during its era such as new economic realities, women's activities, and perceived moral crises. Despite their similarities as groups for evangelical Christian men only, MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action.

BOOK JACKET *The eCoaching Continuum for Educators* Marcia Rock, 2019-09-23 In this book eCoaching pioneer Marcia Rock draws on best practice research and decades of experience to offer a blueprint for professional development that maximizes teacher and student growth. The eCoaching Continuum for Educators provides teachers, administrators, and other school professionals a step-by-step guide to the four connected, coordinated components of technology-enabled professional development: 1. studying theory and practice to build knowledge of specific content and pedagogy; 2. observing theory and practice to aid in the transfer of new knowledge to classroom practice; 3. one-on-one coaching to give teachers the feedback they need to improve classroom practice; and 4. group coaching to build capacity for identifying and solving problems of professional practice. Rock offers a practical approach for putting professional development where it can do the most good in the classroom. You'll learn: Why technology is so well suited for authentic, job-embedded professional development; How to cultivate a culture in which the eCoaching continuum can have the greatest impact; Which technologies are the most useful for carrying out eCoaching in a variety of settings; How to capture and evaluate the impact of eCoaching on teachers and students. The eCoaching Continuum for Educators integrates best practice in coaching for professional development with a detailed account of how teachers and other school professionals can use today's technologies to improve their practice and ensure their students are fully engaged and learning.
