Seven Rays:

The Seven Rays of Life Alice A. Bailey,1995 The teaching on the seven rays can enable all true servers to work with greater skill and effectiveness in their chosen field of activity As Alice Bailey wrote a study of the rays will mean that we shall have a practical method of analysis whereby we can arrive at a right understanding of ourselves as ensouling entities and at a wiser comprehension of our fellow men We can then deal more intelligently with ourselves with our children and with our friends and associates We shall find ourselves able to co operate more wisely with the Plan as it is seeking expression at any particular time

Prophet,Elizabeth Clare Prophet,2012-05-04 Lords of the Seven Rays tells the stories of seven masters who reached for and accomplished the goal of self transcendence on each of the seven paths or rays of spiritual growth The seven rainbow rays of spiritual light correspond to the seven major energy centers or chakras in the body Each ray has a unique color frequency and quality and each one represents a different path to
