Smith,2011-11-14 The year 1998 marked the quinentennial of the publication of Albrecht D rers illustrated edition of the Apocalypse Here Robert Smith provides an introduction to and a commentary on the book of Revelation that is keyed to the D rer woodcuts *The Seven Deadly Sins of White Christian Nationalism* Carter Heyward,2022-09-15 Hear the call to overcome today s culture of hate and bring healing and hope into our life together While right wing conservatives dare to call themselves Christians as they tear down equality

and justice commit horrific acts of violence and fan the flames of fascism in America Carter Heyward issues a call to action for Christians to truly hear God's message of peace and love Heyward shows how American Christians have played a major role in building and securing structures of injustice in American life Rising tides of white supremacy threats to women's reproductive freedoms and to basic human rights for gender and sexual minorities the widening divide between rich and poor and increasing natural disasters and the extinction of Earth's species all point to a world crying out for God's wisdom Followers of Jesus must first call out these ingrained and sinful attitudes for what they are acknowledging what the culture of white Christian nationalism is doing to our country and our world and commit ourselves ever more fully to generating justice love whoever and wherever we are *African Christian Leadership* Robert Priest, Kiri Barine, 2019-10-14 Do you wish you had a better understanding of the issues and questions African Christians face as they seek to live out their faith in their cultural context Do you wonder how Africans themselves frame these questions and their answers Would you like access to actual research that can confirm your own experience or bring new information to your attention that would deepen and broaden your understanding This unique book the product of a multiyear study and survey sponsored by the Tyndale House Foundation offers insights into all these questions and more Featuring input from over 8 000 African survey participants and 57 in depth interviews it provides invaluable insight and concise analysis of the dynamics of the development of African Christian leaders today For more information about the study project visit www.africaleadershipstudy.org
