The Seven Storey Mountain Thomas Merton,Robert Giroux,William Henry

Shannon,1998 This unique spiritual autobiography is the account of the growing restlessness of a brilliant and passionate

young man whose search for peace and faith eventually leads him at the age of twenty six to take vows in one of the most

demanding religious orders the Trappists At the monastery and within the four walls of my new freedom Merton wrote this

extraordinary testament a document of a man who withdrew from the world only after he had fully immersed himself in it For

this Fiftieth Anniversary Edition Robert Giroux has written a memoir of how he came to publish The Seven Storey Mountain

and Merton s distinguished biographer William H Shannon has supplied a note for the reader Provided by publisher

Summary of Thomas Merton's The Seven Storey Mountain Everest Media,2022-03-23T22:59:00Z Please note This is a

companion version not the original book Sample Book Insights 1 I was born in 1915 in a war torn world My parents were

artists and I inherited their integrity and their capacity for work and vision But I also inherited their dissatisfaction with the

world s condition 2 My father Owen Merton was a music master and a pious man who taught at Christ s College in

Christchurch on the South Island He had a lot of energy and independence and he told me how it was in the hill country and

in the mountains of the South Island 3 My father had come to the Pyrenees because of a dream he had of living in France and

raising a family But when the friends of his wife and him came to visit they brought the newspapers which depicted the Allies

overcoming the Germans My grandparents were worried about my mother being in a land at war and they could not stay

much longer at Prades 4 My American grandfather Pop was a buoyant and excitable man who on docks boats trains in

stations in elevators on busses in hotels in restaurants used to get keyed up and start ordering everybody around My

grandmother Bonnemaman was the opposite and her natural deliberateness and hesitancy increased in proportion to Pop s

excesses **Revisiting the Seven Storey Mountain** Robert Giroux,1992 **On Thomas Merton** Mary

Gordon,2020-01-07 From the best selling novelist and memoirist a deeply personal view of her discovery of the celebrated

modern monk and thinker through his writings If Thomas Merton had been a writer and not a monk we would never have

heard of him If Thomas Merton had been a monk and not a writer we would never have heard of him So begins acclaimed

author Mary Gordon in this probing candid exploration of the man who became the face and voice of mid twentieth century

American Catholicism Approaching Merton writer to writer Gordon illuminates his life and work through his letters journals

autobiography and fiction Pope Francis has celebrated Merton as a man of dialogue and here Gordon shows that the dialogue

was as much internal as external an unending conversation and at times a heated conflict between Merton the monk and Merton the writer Rich with excerpts from Merton's own writing On Thomas Merton produces an intimate portrait of a man who lived life in all its imperfectability reaching toward it in exaltation pulling back in anguish but insisting on the primacy of his praise as a man of God *Starting with Oneself: Spiritual Confessions* Monica Furlong, 1990 Merton & Waugh Mary Frances Coady, 2014-03-01 From 1948 to 1952 the lives of Trappist monk Thomas Merton and British novelist Evelyn Waugh were closely intertwined During these years Waugh became enthusiastic about American Catholicism and in particular monasticism as seen through the eyes of the author of *The Seven Storey Mountain* He agreed to edit Merton's autobiography and the subsequent *Waters of Siloe* for publication in Britain In this close examination of their friendship through their correspondence we see Waugh's coaching of a younger writer and Waugh's brief infatuation with America Most of all we witness Merton the writing student and spiritual master and Waugh the master of prose and conflicted penitent And we see how the two men diverge as the Second Vatican Council takes hold in Catholicism and the church experiences profound change This careful study sheds light on Merton the writer with Evelyn Waugh as his tutor It is also an interesting snapshot of the culture of midtwentieth century Catholic renewal Lawrence S Cunningham John A O'Brien Professor of Theology Emeritus The University of Notre Dame An absorbing exchange of letters between Thomas Merton and Evelyn Waugh focusing principally on Waugh's editing of the British publication of *The Seven Storey Mountain* and *The Waters of Siloe* Waugh's sometimes barbed comments caused Merton to reflect deeper on what he was writing and how he should respond as positively as he could to this influential Catholic novelist A wonderful brief study of both men Patrick Samway SJ editor of *The Letters of Robert Giroux and Thomas Merton* forthcoming University of Notre Dame Press 2015 Dedicated readers of Evelyn Waugh and Thomas Merton know of the connections between two major Catholic writers especially of Waugh as editor and writing coach for Merton's work But in this brief but thoroughly researched book Coady provides important new details about Merton's role not just as willing student but as spiritual advisor to Waugh and puts those details into the cultural and religious context of the years after World War II in clear and sometimes eloquent fashion Robert Murray Davis author of *Brideshead Revisited* *The Past Redeemed*
