Seven Years Of Shaking A Vision:

Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

7 Years of Camera Shake David Plummer, 2017-09-07 As humans we are drawn to predators like no other group of animals They are the epitome of form and function and have a level of perfection that we revere In 2009 wildlife expert conservationist and photographer David Plummer was diagnosed with Parkinson's disease Rather than let it defeat him he was galvanised to grab life by the horns and achieve the perfect wildlife shot Over the next seven years he did much more than that The result is this breathtaking collection of over 200 of his best and favourite photographs of exotic and wild animals in their natural habitats To capture them David travelled to some of the most remote and stunning locations across the world from Africa to India to the Galapagos Islands and back to his native England *7 Years of Camera Shake* showcases seven years of immersive and illuminating photography of predators on the prowl of prey in the clutches of death of the inexplicable synchronisation of nature of the beautiful relationship between mother and child and much much more Plummer's work has been featured in wildlife publications and national and international press and now the work he has produced since his diagnosis is showcased here accompanied by his thoughts and anecdotes on how he achieved each perfect shot
