Seventh Son:

Seventh Son Orson Scott Card, 2003-09-15 The Tales of Alvin Maker begins in Seventh Son the first book in the historical fantasy series from the Hugo and Nebula award winning and New York Times bestselling author of Ender's Game Using the lore and the folk magic of the men and women who settled North America Orson Scott Card has created an alternate world where magic works and where that magic has colored the entire history of the colonies Charms and beseechings hexes and potions all have a place in the lives of the people of this world Dowrsers find water the second sight warns of dangers to come and a torch can read a person's future or their heart An unforgettable story about young Alvin Maker the seventh son of a seventh son Born into an alternative frontier America where life is hard and folk magic is real Alvin is gifted with the power He must learn to use his gift wisely But dark forces are arrayed against Alvin and only a young girl with second sight can protect him The Tales of Alvin Maker series Seventh Son Red Prophet Prentice Alvin Alvin Journeyman Heartfire The Crystal City Master Alvin At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *The Legend of the Seventh Son* Rory Gallagher, 2015-01-16 Once upon a time a legend was born in Ireland It was said the seventh son of a seventh son would have magical healing power The power was to be used to help others Can you imagine what your life would be like if it was you This is the story of one man's journey

Seventh Son A. M. Offenwanger, 2016 *The Seventh Son* Reay Tannahill, 2013-02-28 A superb historical novel about Richard III the notorious hunchback king whose burial site was recently uncovered which will appeal to fans of Josephine Tey's THE DAUGHTER OF TIME Philippa Gregory's THE KINGMAKER'S DAUGHTER and readers of Hilary Mantel At the heart of this stunning novel is the complex human being known to history as Richard III a king whose reign is darkened by the murder of the young Princes in the Tower but who also found a touching love with the woman he married and possessed immense courage As goes the old adage history is written by the victors so Richard III's own story was corrupted by the spokesman of the Tudor regime William Shakespeare And yet here is a man who inspired loyalty and hatred in almost equal measure until at last the implacable enmity of one woman brought about his downfall In this classic novel the paradox of England's most enigmatic king is vividly brought to life It is a family drama in the grand tradition a tale of brother against brother cousin against cousin of love hate and intrigue of women inescapably entangled in the fates of their men and of a mystery that has exercised people's minds for more than five hundred years **Echoes of Appalachia** Denvil Mullins, 1994 Offering more stories of those Cornfields and their rowdy neighbors from up on Coaley Creek this collection contains more hilarious half truths and tall tales about the author's kin **Seventh Son of a Seventh Son** Finbarr Nolan, Martin Duffy, 1992 , *Iron Maiden - Updated Edition* Neil Daniels, 2016-10 This is the updated edition of Iron Maiden complete with up to date information and photos of the legendary English heavy metal band *King David* Steven L. McKenzie, 2000-04-27 One of the most important and complex characters in the Bible King David has been the subject of

innumerable portraits both artistic and literary Michaelangelo's magnificent sculpture of him is perhaps the single best known work of art in the world and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status But was David a real person and if so what kind of person was he Through a close and critical reading of biblical texts ancient history and recent archeological discoveries Steven L McKenzie concludes that David was indeed a real person This David however was no hero but a usurper adulterer and murderer a Middle Eastern despot of a familiar type McKenzie shows that the story of humble beginnings is utterly misleading shepherd is a metaphor for king and David came from a wealthy upper class background Similarly McKenzie reveals how David's ascent to power traditionally attributed to popularity and divine blessing in fact resulted from a campaign of terror and assassination While instituting a full blown Middle Eastern monarchy David was an aggressive leader a devious politician and a ruthless war chief Throughout his scandalous reign important figures who stood in his way died at convenient times under questionable circumstances Even his own sons were not spared David's story writes McKenzie reads like a modern soap opera with plenty of sex violence and struggles for power Carefully researched and vividly written *King David An Unauthorized Biography* offers a provocative reappraisal of the life of one of the Bible's most compelling figures *Harper's*, 1902 *Notes and Queries*, 1883

Magical Medicine Wayland D. Hand, 2023-04-28 Distilling baby's first tear into the eye of a blind man to make him see Plucking herbs upward for emetics and downward for purgatives Stroking one's goiter with a dead man's hand to make the growth shrivel away these are not beliefs and customs found among primitive peoples in remote parts of the world but are examples of hundreds of items of magical medicine found in Professor Hand's remarkable collection of essays dealing with this neglected field in twentieth century Europe and America Fantasy and imagination still have free reign in people's lives more than any of us will admit In a time when science is preeminent irrational thinking can lay hold on the mind of man as much as in olden times Folk medicine has expanded in recent years to include holistic medicine and other forms of alternative medicine but little attention has been paid to magical medicine Despite the benefits of medical science in an advanced culture the magical medicine of Europe and America has clung to an unusually rich and original body of magical lore that lies at the base of its folk medical thought Ethnomedicine in the inner cities of America can be better understood by practitioners who know something about folk medicine and especially if they know some of the basics of magical medicine This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980 *The Pas de Deux* Erin Bomboy, 2018-02-11 Dance That was their instruction But fate tripped them up and they fell in love Under the fluorescent sun of 80s Hollywood aging ballerina Peridot Peri Jones and her new partner young Mark Maroulis Jr ignite a chemistry onstage that brings a dying ballet company back to life Although wary of

their age difference they begin a highly charged love affair offstage They keep the romance a secret because artistic director Mr D considers Peri to be his When Mr D discovers their relationship he wrenches Mark and Peri far apart Will they be able to dance themselves back together Lyrical and poignant the story unfolds through the structure of a classical ballet grand pas de deux It delves into themes of toxic masculinity the sacrifices that art exacts from its practitioners and the challenges of an inverse May December relationship Praise for *The Pas de Deux* Readers with a special affinity for the world of dance will relish this powerful saga that blends insights on history love choreography and the climatic buildup of the grand pas de deux as it plays out on stage and in hearts against a wider backdrop of social and political change Midwest Book Review *The Pas de Deux* combines the classical ballet setting of *Billy Elliot* and *Astonish Me* Maggie Shipstead with the upside down romance of *On the Island* Tracy Garvis Graves It draws parallels among three genocides of the 20th century Armenia AIDS and the Holocaust and a suggestion rooted in dance practices to address intolerance **The Storyteller's Nights**
