Seventy Years in Japan William Wynd, 1943 *A Flower with Roots* Roberta Lynn Stephens, 2018-02-27 You are about to read a book with a double storyline with many intertwining segments Mary D Jesse a woman from a family of means abandons everything to follow her vision to help lift the burden of Japanese girls during a time when education was a privilege and not a right She is a model of faith perseverance and leadership who discovers God's guidance in difficult experiences Already a school with history Shokei Girls School begins its walk with Jesse as she and other missionary colleagues share their Christian faith the flower their love for the students and Christ's love as it is rooted in their daily living Mission culture and character intersect here at Shokei leading to changed lives At the same time the drama of misunderstanding misery and pain leads to forgiveness and rebuilding The story of Shokei Girls School is a compelling account of the resiliency of a mission school where you will see the love and loyalty of the students for their school while the school leadership was experiencing endless drama in management and personal relations A Flower with Roots will take you on a journey you won't forget The Southern Baptist Mission in Japan, 1889-1989 Calvin F.
