Severed Heads Paperback:

A Severed Head Iris Murdoch, 1982 *Severed: A History of Heads Lost and Heads Found* Frances Larson, 2014-11-17 A wide ranging and thoughtful Wall Street Journal exploration of the varied obsessions that the civilized West has had with decapitated heads and skulls The human head is exceptional It accommodates four of our five senses encases the brain and boasts the most expressive set of muscles in the body It is our most distinctive attribute and connects our inner selves to the outer world Yet there is a dark side to the head s preeminence one that has in the course of human history manifested itself in everything from decapitation to headhunting So explains anthropologist Frances Larson in this fascinating history of decapitated human heads From the Western collectors whose demand for shrunken heads spurred massacres to Second World War soldiers who sent the remains of the Japanese home to their girlfriends from Madame Tussaud modeling the guillotined head of Robespierre to Damien Hirst photographing decapitated heads in city morgues from grave robbing phrenologists to skull obsessed scientists Larson explores our macabre fixation with severed heads *The Severed Head* Julia Kristeva, 2025-03-04 Informed by a provocative exhibition at the Louvre curated by the author *The Severed Head* unpacks artistic representations of severed heads from the Paleolithic period to the present Surveying paintings sculptures and drawings Julia Kristeva turns her famed critical eye to a study of the head as symbol and metaphor as religious object and physical fact further developing a critical theme in her work the power of horror and the potential for the face to provide an experience of the sacred Kristeva considers the head as icon artifact and locus of thought seeking a keener understanding of the violence and desire that drives us to sever and in some cases keep such a potent object Her study stretches all the way back to 6 000 B C E with humans early decoration and worship of skulls and follows with the Medusa myth the mandylion of Laon a holy relic in which the face of a saint appears on a piece of cloth the biblical story of John the Baptist and his counterpart Salome tales of the guillotine modern murder mysteries and even the rhetoric surrounding the fight for and against capital punishment Kristeva interprets these capital visions through the lens of psychoanalysis drawing infinite connections between their manifestation and sacred experience and very much affirming the possibility of the sacred even in an era of faceless interaction ***Encyclopedia of Japanese Swords (Paperback)*** Markus Sesko, 2014-09-30 This completely new encyclopedic reference for the Japanese sword contains about 2 500 entries many of them illustrated by photos and drawings The Encyclopedia of Japanese Swords is an A Z general encyclopedia covering each and every part of the sword the blade the mountings the fittings and all their different interpretations Further this encyclopedia also explains the literal or etymological meaning of each Japanese term and provides an even deeper insight into the subject *Severed Heads, Broken Hearts* Robyn Schneider, 2013-08-15 Perfect for fans of John Green Nicola Yoon and Gayle Forman If you ve managed to survive disaster what happens when it strikes again Ezra Faulkner believes everyone has a tragedy waiting for them a single encounter after which everything that really matters will happen His own tragedy waited until he had

everything to lose In one night a reckless driver shatters Ezra s knee his athletic career and his perfect life No longer part of the popular crowd Ezra finds himself at the table of misfits where he encounters Cassidy Thorpe Intelligent effortless and wonderfully weird she is unlike anyone Ezra s ever met before Together they discover flash mobs buried treasure secret movie screenings and a poodle with a questionable history But as Ezra dives into new friendships and new love he is forced to ask if you ve managed to survive disaster what happens when it strikes again Maybe it s time to expand your list of literary crushes to include someone other than Augustus Waters MTV com I couldn t help but think of John Green s novels I think his fans will eat this up Publishers Weekly Heartbreaking and hilarious I have no doubt that girls everywhere are going to fall madly deeply hopelessly in love with Ezra Faulkner Sarah Mlynowski NYT bestselling author This is one of the most literary teen books I ve read for a long time up there with John Green and it s a delight to read the ending absolutely blew me away being unpredictable powerful and altogether fantastic The Bookbag Severed Heads Broken Hearts is a lyrical witty and heart wrenching novel about how difficult it is to play the part that people expect and how new beginnings can stem from abrupt and tragic endings
