Adrian Hemmings, Rosalind Field

Sex And Sexuality Questions And Answers For Counsellors And Psychotherapists:

Sex and Sexuality Glyn Hudson-Allez, 2005-06-24 This book bridges the gap between the counsellor and the specialist sex therapist by providing answers to questions raised by patients or clients about sex gender and sexuality It covers physiological information about genitalia variations on sexuality the differences between men and women in genital sexual arousal and sexual dysfunctions an understanding of developmental sexuality and information as to whether the sex discussed is normal or pathological By having a clearer understanding of usual sexual practices counsellors can be readily equipped to reassure their clients or refer to an appropriate person for specialist referral Topics covered include physiological difficulties like erectile problems ejaculatory difficulties vaginismus and dyspareunia and loss of sexual desire gender problems including cross dressing transsexualism and intersex and psychological problems include sexual addiction fetishism and unusual sexual practices These are discussed in the context of individual clients and in couple dynamics and provide a comprehensive reference for the non specialist mental health professional **A Practitioner's Guide to**

Working with Sexual Offenders, Families, and Victims Glyn Hudson-Allez, 2025-05-23 This unique text aims to cover the many variations of presentations that a mental health professional needs to address in order to conduct effective work with sex offenders and alleged offenders their victims as well as their families and children The book is divided into three sections It commences with an overview of the criminal justice process and its ramifications not just for the alleged offender but also for the wider family and friends who may feel totally out of control over what is happening in their lives as well as for the victim It also covers the secondary victimisation of the children of alleged offenders The next section is designed to take some of the fear out of working with these clients looking at unexpected specific issues that may be presented with these clients how to address the client's trauma history and how to support them on their journey through the criminal justice system Chapters include working with non offending partners within minority groups like those within the neurodivergent or LGBTQIA communities with women who commit offences as well as with children and adolescents Section three covers some of the therapeutic ethical dilemmas within this work including supervision confidentiality safeguarding and disclosure Each chapter in the book is written by an experienced hands on therapist giving voice and humanity to their clients This book is designed for all the mental health workers who find the ubiquitous issue of sexual abuse in all its forms coming through their office door **Feeling Queer or Queer Feelings?** Lyndsey Moon, 2014-02-04 Feeling Queer or Queer Feelings presents

highly innovative and contemporary ideas for counsellors counselling and clinical psychologists and psychotherapists to consider in their work with non heterosexual clients Ground breaking ideas are presented by new thinkers in the area for issues such as coming out transgender desire theoretical modalities in working with HIV the role of therapy in bondage and discipline domination and submission and sadomasochism the use of queer theory in therapeutic research Feeling Queer or Queer Feelings will challenge present ideas about sex gender and sexuality and will prove to be invaluable for clinicians in

this field **The SAGE Handbook of Counselling and Psychotherapy** Colin Feltham,Ian Horton,2006-01-05 The SAGE Handbook of Counseling and Psychotherapy Second Edition is the most comprehensive text of its kind and an essential resource for trainees and practitioners alike Comprising succinct and easy to access contributions the Handbook describes not only the traditional skills and theoretical models but also the most common client concerns brought to therapy and the particular skills required for different practice settings and client groups **Counselling and Psychotherapy in Contemporary Private Practice** Adrian Hemmings,Rosalind Field,2007-09-12 This book does not attempt to offer a how to do it approach or provide prescriptive solutions but instead reflects upon the dilemmas faced by those in the Counselling profession **Counselling and Psychotherapy in Contemporary Private Practice** Adrian Hemmings,Rosalind Field,2007-09-12 What are the dilemmas faced by counsellors and psychotherapists in contemporary private practice and how do these impact on the therapeutic relationship Working as a counsellor or psychotherapist in contemporary private practice presents a number of clinical ethical and philosophical dilemmas that impact on the therapeutic relationship Counselling and Psychotherapy in Contemporary Private Practice brings together experienced contributors to explore these dilemmas with insightful and illuminating results This book distinguishes itself as it does not simply offer practical ideas It also presents the reader with issues that arise from the specific context of working in independent practice and explores how these affect what takes place in the therapeutic relationship Counselling and Psychotherapy in Contemporary Private Practice will provide essential reading for students of counselling and psychotherapy qualified and experienced practitioners contemplating setting up in private practice It will also be of interest to those already working in private practice who wish to reflect upon the dilemmas that arise in this working environment **Working with Sexual Issues in Psychotherapy** Desa Markovic,2017-08-25 Whilst many psychotherapists work skilfully and creatively with the subject of sex the lack of professional support systems such as training and supervision mean that the topic is often still treated as taboo in the psychotherapy room This secretive treatment may increase clients feelings of shame and embarrassment thus mirroring the confusing views on sexuality in society and leading to the onset and development of sexual dysfunctions Bringing the medical perspective of sexology together with systemic psychotherapy informed by social constructionism this timely book seeks to fill the gap in psychotherapy literature research and training by providing a theoretical framework as well as practical guidance for effective therapeutic interventions in working with sex and sexual relationships in clinical practice Exploring topics such as sexual prejudice the significance of sexual diversity and the assessment and treatment of sexual dysfunctions enriched with a wealth of engaging case studies Working with Sexual Issues in Psychotherapy is a fascinating and important read both for students new to this complex topic and for practitioners looking for a comprehensive source of reference **A Trauma-Informed Understanding of Online Offending** Glyn Hudson-Allez,2023-11-09 This book examines the contemporary one size fits all model of treatment for sexual offenders and challenges the confrontational approach to working with this

group In recent years the incidence of people predominantly men getting arrested for inappropriate online usage has increased exponentially This book attempts to understand why this is the case and what can be done to help these individuals and in turn reduce the risk of them re offending A stand alone follow up text from Hudson Allez s popular Infant Losses Adult Searches this book carries forward the compelling case study of Gordon from the previous text Throughout his journey from arrest to rehabilitation the chapters provide insight into the relationship between internet offending and dysfunctional attachments and neurodiversity Our current understandings of childhood trauma transgenerational transmission and diagnoses of autism spectrum disorder and ADHD are all investigated in relation to cases of online offenders and practical therapeutic models are presented This book is relevant to psychologists psychotherapists counsellors and therapists working with forensic clients and probation officers social workers and police officers working within child protection agencies
