Sex and Sexualities in Contemporary Indonesia Linda Rae Bennett, Sharyn Graham Davies, 2014-12-05 Winner of the 2015 Ruth Benedict Prize for Outstanding Edited Volume Sex sexuality and sexual relationships are hotly debated in Indonesia triggering complex and often passionate responses This innovative volume explores these issues in a variety of ways It highlights historical and newer forms of sexual diversity as well as the social responses they provoke It critiques differing representations of sexuality pointing to the multiplicity of discourses within which sexuality and the sexual are understood in modern day Indonesia Placing sexuality centre stage and locating it within the specific historical context of the Reformasi era this landmark volume explores understandings and practices across a wide variety of sites focusing in on a diverse group of Indonesian actors and the contested meanings that sexuality carries Beginning with a substantive introduction and concluding with a scholarly reflection on key issues the volume is framed around the four themes of sexual politics health diversity and representations It seeks both to present new empirical findings as well as to add to existing theoretical analysis This work fills an important gap in our understanding of the evolution and contemporary dynamics of Indonesian sexualities It will be of interest to scholars and academics from disciplines including gender and sexuality studies global health sexual and reproductive health anthropology sociology and Asian studies

Youth Homelessness and Survival Sex Juliet Watson, 2017-10-10 Survival sex commonly understood to be the exchange of sex for material support is a practice that is associated with young homeless women However such a narrow definition of survival sex fails to recognise the multiple complex and coexisting motivations of young homeless women for engaging in intimate relationships in post industrial capitalist society In *Youth Homelessness and Survival Sex* Watson's insightful analysis of personal narratives reveals how young homeless women are exposed to situations in which survival can be impeded or assisted by playing out specific gender roles Indeed in identifying and contesting the dominant social discourses that young homeless women draw upon to frame their experiences of intimate affairs Watson challenges the reader to understand how gendered subjectivities are produced and performed through heteronormative relationships This enlightening book is vital in showing that homelessness is not a gender neutral phenomenon and that there are gender specific processes and practices involved in the navigation of poverty violence and social exclusion *Youth Homelessness and Survival Sex* will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields such as Homelessness Youth Studies Social Work and Gender Studies
