Sex Sells:

Sex Sells! Rodger Streitmatter, 2004-09-22 In 1953 when Lucille Ball became pregnant the censors required the characters on I Love Lucy to say only that the wacky redhead was in the family way they feared the word pregnant might conjure up in the minds of viewers images of a man and woman having sexual intercourse Now some fifty years later from giant billboards featuring nearly nude models in Times Square to Bill Clinton's creative definition of sex to Madonna and Britney's prime time kiss sex pervades virtually every aspect of public life including the films and television programs we watch the music we listen to and the racy ads that bombard us What happened Through lively prose and engaging examples Sex Sells illuminates this arc from repression to obsession vis vis changing sexual mores during the last five decades Not only does the author examine how a broad range of media genres have reflected this libidinous journey but he also shows how the media have played a leading role in propelling the Sexual Revolution Whether it was the decision by Cosmo editor Helen Gurley Brown to run a photo of a nude Burt Reynolds in 1972 or the recent success of Showtime's sexually explicit Queer as Folk the media have led the charge in bringing sex into the mainstream Along the way what the author terms sexual literacy has become vital especially for young media consumers For Rodger Streitmatter unlike many critics believes that much of the media's sexual content is beneficial as it gives parents and educators a jumping off point from which to discuss such matters as AIDS sexual identity and sexual mores In this age of continuing sexual liberation such a viewpoint seems especially important and timely

Sex in Advertising Tom Reichert, Jacqueline Lambiase, 2014-04-04 Sex in Advertising Perspectives on the Erotic Appeal is the first book to thoroughly tackle important issues about sex in advertising What is it Does it work How does it affect individuals and society Well respected scholars and popular writers answer these questions as they address the following issues associated with sex in today's advertising environment gender differences and representation unintended social effects subliminal embeds appeals to the homosexual community and new media The book contains a blend of perspectives including original experimental studies interpretive and historical analyses and cultural critiques The definitive source on sex in advertising this book is centralized around a singular theme Understanding how sex in advertising appeals work and why they are so prevalent includes multiple perspectives to capture the richness of sexual appeals brings together viewpoints from both well known scholars and writers provides a wealth of ideas and research questions for those interested in the topic and contains discussions of sex in advertising from its roots in the 1700s to online advertising today and beyond The book is must reading for advertising and gender researchers scholars and students Anyone interested in mass media consumer psychology and popular culture will find this book an essential resource

Learning to Sell Sex(ism) Aileen O'Driscoll, 2018-10-29 This book presents the first in depth exploration into the gendered attitudes and worldviews of advertising students Offering a significant contribution to other cultural sociological works concerning the cultural and creative industries Learning to Sell Sex(ism) adds further weight to the argument that it is imperative that we look closely at

the people who create media texts in order to better account for and challenge sexist media content In this study such media creators are the advertising industry s next generation of practitioners and creatives Involving a mix of in depth questionnaires qualitative surveys interviews with students observational data as well as an examination of the components comprising advertising modules O Driscoll documents the dominant gendered discourses articulated by advertising students and offers an opportunity for the advertising educational sector to reflect on how it might play its part in reducing stereotypical and sexist content emanating from the industry Learning to Sell Sexism will be of interest to students and scholars across a range of disciplines including media studies gender studies sociology cultural studies and marketing

Sexuality in America Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives **Forever Young** Marcel Danesi, Director of the Program in Semiotics and Communication Theory Marcel Danesi, PH.D., 2003-01-01 The excessive worship of adolescence and its social empowerment by adult institutions is the deeply rooted cause of a serious cultural malaise So argues semiotician Marcel Danesi in Forever Young an unforgiving and controversial look at modern culture s incessant drive to create a teen aging of adult life Written for the general reader and based on five years worth of interviews with over 200 adolescents and their parents Danesi begins by asserting that one of the early causes of this crystallization of adolescence as an age category can be traced back to theories of psychology at the turn of the twentieth century Since then the psychological view of adolescence as a stressful period of adjustment has become a self fulfilling prophecy This in tandem with the devaluation of the family by the media and society at large has led to a maturity gap a fissure in family dynamics that is eagerly and ably exploited by the mass media Unlike many academic digressions into the malaise of modern culture Forever Young provides concrete answers on how the forever young syndrome can be addressed One solution is to dispel the myth that experts and professionals are the people best equipped to give advice on raising children The second is to recognize the value of family in all its different combinations as the primary institution of child rearing The third is to challenge the pervasive notion that teen culture is a sophisticated endeavour that for example pop music can claim to have produced some of the best musical art in the world surpassing Mozart or Bach By laying bare the misguided tenets that have brought about and continue to promote a forever young mentality Marcel Danesi demonstrates that the teen aging of culture has come about because it is simply put good for business Teen tastes have achieved cultural supremacy because the western economic system requires a conformist and easily manipulated market and has thus joined forces with the media entertainment oligarchy to promote a deterministic forever young market Sexuality in Marketing and Consumption Athanasia Daskalopoulou, Daniela Pirani, Jacob Ostberg, 2024-08-09 This volume provides an in depth examination of the role of sexuality in consumers life

course and in the marketing of products and services Leading scholars in the field define the most up to date picture of theories of sexuality in marketing and consumer research mapping the topic through diverse theoretical lenses addressing queer and feminist research and putting sexuality and consumption in context The book brings together leading international marketing scholars to build on the growing interest in theories of sexuality queer theory and intersectionality which are gaining more interest among institutions and researchers interested in equality and diversity While this book builds on existing expertise in consumer culture scholarship it is the first time a marketing book focuses on sexuality adding value to the existing repertoire in gender and feminist literature The chapters are organised into three key sections Part 1 maps the marketing and consumer research field discussing how sexuality can be studied through different lenses Part 2 focuses on queer and feminist theorising drawing on LGBTQIA theory queer theory and theories of intersectionality to analyse how overlapping social categories interact to influence consumer behaviour identity and experiences in the marketplace and Part 3 explores the personal and social aspects of sexuality offering a broad overview of issues of gender and sexuality digitalisation and the sexual body This text will be of direct interest to scholars and researchers within the fields of marketing consumer research sociology and media studies The aim of this book is to help scholars and students to develop a broader understanding about the interplay between sexuality society and the market

Imposed Morality Dr Alena Rada, PhD,2021-06-01 The book *Imposed Morality* is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality

Gendered Power Dynamics and Exotic Dance Tina Deshotels,Craig Forsyth,2021-09-15 *Gendered Power Dynamics and Exotic Dance* examines the social phenomenon of exotic dancing Presenting a compelling multilevel analysis of dancer interactions organizational practices and institutional forces this book challenges our understanding of sexuality and power Centering the voices and experiences of exotic dancers this book explores the relationship between exotic dancing and power at the micro interactional meso organizational and macro institutional levels informing a feminist theory of power that seeks out systems of domination in order to challenge and change them Through direct interviews and observations collected between 1993 and 2021 from 40 different clubs in the United States Deshotels and Forsyth demystify the seemingly contrary findings about exotic dancing and power They show how and why individual dancers can be simultaneously empowered and exploited beyond individual traits interactions or settings in the nexus of gender and power in exotic dancing The book will be useful for scholarly readers in the subject areas of sociology cultural studies gender sexualities studies sex work and organizations

theory Written in a clear accessible manner this book will also appeal to a general audience interested in understanding the complex interactions of gender power feminism and exotic dance **Business, Not Politics** Katherine Sender,2005-01-05

In a hard hitting book that refutes conventional wisdom Katherine Sender explores the connection between the business of marketing to gay consumers and the politics of gay rights and identity She disputes some marketers claims that marketing appeals to gay and lesbian consumers are a matter of business not politics and that the business of gay marketing can be considered independently of the politics of gay rights identity and visibility She contends that the gay community is not a preexisting entity that marketers simply tap into rather it is a construction an imagined community formed not only through political activism but also through a commercially supported media She argues that marketing has not only been formative in the constitution of a GLBT community and identity but also has had significant impact on the visibility of gays and lesbians

Cross-Cultural Journalism and Strategic

Communication Maria E. Len-Rios, Earnest L. Perry, 2019-11-01. Built using the hands-on and pioneering Missouri Method, this textbook prepares readers to write about and communicate with people of different backgrounds, offering real-world examples of how to practice excellent journalism and strategic communication that takes culture into account. No matter the communication purpose, this book will help readers engage with difference and the concept of fault lines and to identify and mitigate bias. It provides guidance on communicating the complexity inherent in issues such as crime, immigration, and sports, and understanding census data, gathering methods, and terms to craft stories or strategic campaigns. Above all, the book encourages readers to reconsider assumptions about race, class, gender, identity, sexual orientation, immigration status, religion, disability, and age, and recognize communicators' responsibilities in shaping national discussions. This new edition addresses the ever-changing political and social climate, differentiates excellent journalism from punditry, and shows the business value of understanding diverse perspectives. A fantastic introduction to this complex but important field, this book is perfect for students, teachers, and early-career communicators. The combination of a hands-on approach and pull-out boxes with the diverse voices curated by editors Maria E. Len-Rios and Earnest L. Perry make this an ideal text for the classroom and beyond.

Hypersexual City Nicole Kalms, 2017-03-31. Much of feminist architectural scholarship focuses on the enormous task of instating women's experience of space into spatial praxis. *Hypersexual City: The Provocation of Soft Core Urbanism* suggests this attention to women's invisibility in sociocultural space has overlooked the complex ways in which women already occupy space, albeit mostly as an image or object to be consumed, even purchased. It examines the occupation of urban space through the mediated representation of women's hypersexualized bodies. A complex transaction proliferates in the commercial urban space of cities; this book seeks to address the cause and consequence of the increasing dominance of gendered representation. It uses architectural case studies and analysis to make visible the sexual politics of architecture and urbanism and, in doing so, reveal the ways that heterosexist culture shapes the spaces, behaviour, and relationships formed in neoliberal cities. *Hypersexual City* announces how examining urbanism that operates through and is framed by sexual culture can demonstrate that architecture does not merely find itself adrift in the hypersexualized landscape of contemporary cities but is actively producing and contributing to the sexual regulation of urban life.
