psychology The book intends to be theology the attempt to talk intelligently about God and the relationship of God to every area of human existence and especially to those aspects of life which are near the center of the human personality and foremost among such is sexuality The Ethics of Marital Peace, Joy & Lasting Love Eghosa Aiwuyo, 2020-08-03 The author is a Family Systems Specialist who works in private practice and seeing couples struggling with dysfunctional family patterns power struggles and communication problems therefore The Ethics of Marital Peace Joy whilst stimulating a growth oriented marriage Topic covered includes Role of the husband as leader Role of the wife as helpmate Co dependency divorce and remarriage Ways to triumph over financial issues Ways to deal with infertility Benefits of a lasting marriage Pre marital counselling This is an exclusive Christian resource and due to its profound benefits for building godly and healthier families it is highly recommended for all married and singles **In Search of Wisdom** Prof. Anne E.
