Sex Imperative An Evolutionary Tale Of Sexual Survival:

The Sex Imperative Kenneth E. Maxwell, 2013-11-11 The sex imperative the irresistible impulse to engage in sexual relations has enabled animals to share their genes and evolve Maxwell traces the progress of sex from the simple sharing of genes between cells to the elaborate courtship rituals that developed so sperm could merge with egg In the effort to join sperm and egg species have developed some astounding and unusual sexual adaptations As Maxwell vividly describes the sex lives of various creatures he attests to the resiliency and amazing adaptability of life to its everchanging environment By focusing on the diversity of animal sexual relationships Maxwell enables us to question the very basis of sexuality What is sex Why did it evolve How does sexuality and survival shape the social behavior of animals and humans The sex imperative is indeed the driving force behind Darwin's theory of random variation and natural selection better known as survival of the fittest Maxwell goes so far as to investigate our latest accomplishment in the science of begetting offspring genetic engineering This awe inspiring and unique work celebrates the power and wonder of life and sexuality of all creatures including humans After reading this engrossing and illuminating work no one will ever think of evolution in the same way Jacket

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it Human Purpose and Transhuman Potential Ted Chu,2014-03-01 For millennia great thinkers have contemplated the meaning and purpose of human existence but while most assumed that humanity was the end point of creation or the pinnacle of evolution Ted Chu makes the provocative claim that the human race may in fact be a means rather than an end that humankind will give rise to evolutionary successors In this wide ranging and authoritative work Chu reexamines the question of human purpose in light of the extraordinary developments of science and technology Arguing that a deep understanding of our place in the universe is required to navigate the magnitude of the choices that lie ahead he surveys human wisdom from both East and West traces the evolutionary trajectory that has led to this point and explores the potentials emerging on the scientific frontier The book addresses the legitimate fears and concerns of playing God but embraces the possibility of transcending biological forms and becoming or creating entirely new life forms na , **Shocked But Connected** Michael Roemer,2012-09-16 Why do funny movies make us laugh In this thoughtful essay by turns stimulating and meditative distinguished filmmaker and Yale professor Michael Roemer shares his musings on what causes us to chortle snort and guffaw when we watch antics onscreen or onstage Roemer keeps us chuckling as he dissects punchy one liners Shakespearean plays and everything in between Incorporating theories from such great thinkers as Sigmund Freud Charles Baudelaire Henri Louis Bergson and Soren Kierkegaard with the work of classic comedians like Charlie Chaplin Buster Keaton and the Marx Brothers Roemer examines the purpose of comedy in our lives and in society Shocked But Connected provides a serious reflection on a lighthearted subject *Choice* ,1994 *Pornography and Sexual Representation* Joseph W.
