Sex: It's Worth Waiting For Greg Speck,2007-01-01 God has a perfect design for great sex with one person in a committed marriage But get outside of that design and you are headed for destruction Good sex is a gift that God wants to give you but exposed to air outside of marriage this gift turns sour Lust overcomes love and risks of disease abuse and pregnancy are real Sex It s Worth Waiting For will answer some of your honest questions like How far can we go before we ve gone too far and If we love each other why should we wait Making right choices today will give you the good sex you desire later Whether you re tempted by the thrill or longing for love don t be fooled God desires so much more for you

Making Chastity Sexy Christine J. Gardner,2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism s transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa

Forbidden Fruit Mark D. Regnerus,2009-08-19 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren t less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations

The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married. Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making.

Living for Jesus Beyond the Spiritual High Greg Speck, 2008-01-01 You soar on a spiritual high at a retreat or fly with emotion at a special meeting. You joyously revel in the presence of your friends at a party. But when the feelings are gone, what will keep you going? Can you really keep a relationship with Jesus that is vibrant even in the boring times? Faith based on fact will do it. God's Word will give you strength for a steady walk when the emotions are gone. This book does more than entertain; it is practical. Greg Speck's interesting style will keep you reading and growing for the long haul after the party is over and you're slugging it out in everyday life.

A Chicken's Guide to Talking Turkey with Your Kids About Sex Kevin Leman, Kathy Flores Bell, 2009-10-14 You're already establishing a track record with your kid by how you listen, by what you say when you're angry, and by how you treat your spouse. We like to surprise parents who ask us, "When do I start talking about sex?" The answer is: you've already started. As difficult as talking with your child about sex, peer pressure, and self-image may seem, you can do it, and your child's future depends on it. Fortunately, you've got plenty of guidance and insight available in *A Chicken's Guide to Talking Turkey with Your Kids about Sex*. Family psychologist Dr. Kevin Leman and sexuality educator Kathy Flores Bell guide you safely along the sometimes rocky road of pubescence as your child heads toward adolescence. This practical and engaging book covers his or her development not just from the waist down but also from the neck up, where the important decisions about sex are made. Illustrated with real-life scenarios, this book is filled with practical knowledge and biblical wisdom. It is a book of firsts: first bra, first shave, first period, first nocturnal emission, first school dance, first discussion about relating to the opposite sex. *A Chicken's Guide* takes on the difficult things parents face with their kids today, such as dating relationships, sexual activity, and rite of passage attitudes. STDs, molestation, and more. Leman and Bell take you beyond sex education and frank conversations to cultivating a relationship with your child. Get ready to acquire some unanticipated life skills in the process. Moms discover how to buy that first athletic supporter for your son in Little League. Dads learn how to navigate the feminine hygiene aisle at the supermarket for your daughter. You'll do more than meet your child's physical needs. You'll create the trust, support, and security he or she needs in your relationship. And in turn, you'll gain a credible voice on such intimate topics as what sexual intercourse is and why to abstain from sex until marriage. With Bell's expert yet simple knowledge of the dynamics of human sexuality and Dr. Leman's winsome, lighthearted approach, you'll gain confidence for those difficult but essential talks. Here are the tools you need to help your kids not only understand their growing bodies but cope with the temptations and social pressures that go with them. *Pont Marie Al*

Stotts, 2011-04-19 Metempsychosis refers to the passing of the soul at death into another body, either human or animal. At its most basic, it refers to reincarnation, but the theory of past lives can have overwhelming consequences, especially when memories of these past lives seep into the life we currently live. Just ask a modern-day middle-aged New Mexico gentleman.
